REAL PROPERTY PURCHASE AND SALE AGREEMENT
AND JOINT ESCROW INSTRUCTIONS

[SDCCU Stadium Site and Contiguous Property at 9449 Friars Road]

This Real Property Purchase and Sale Agreement and Joint Escrow Instructions ("Agreement") is dated as of _________________, 2020 ("Effective Date"), by and between the CITY OF SAN DIEGO, a California municipal corporation ("City"), and the BOARD OF TRUSTEES OF THE CALIFORNIA STATE UNIVERSITY, the State of California acting in its higher education capacity, on behalf of San Diego State University ("CSU").

RECITALS

The City and CSU enter into this Agreement with reference to the facts and circumstances described below (collectively, "Recitals"). Terms with initial capital letters that are not defined in the Recitals shall have the meaning given in Section 1:

A. The City’s voters approved a citizens’ initiative measure, commonly known as Measure G, on November 6, 2018, governing the City’s sale to CSU of certain real property referred to therein as the “Existing Stadium Site” (defined as the “CSU Property” in Section 1). The CSU Property consists of that certain City-owned real property, which includes both the real property commonly known as the San Diego County Credit Union stadium site in Mission Valley and the contiguous real property commonly known as the Murphy Canyon Creek Channel, as well as related improvements and appurtenances.

B. Measure G is comprised of two main components: (i) Sections 1, 2, 4, 5, 6, 7, and 8 of the citizens’ initiative, which describe, among other things, the purpose, intent, and findings supporting the citizen’s initiative; and (ii) Section 3 of the citizens’ initiative, which adds new section 22.0908 to the Municipal Code ("Section 22.0908 Conditions"). Measure G states that the CSU Property is needed by CSU/SDSU for “Bona Fide Public Purposes,” as that term is defined in the Section 22.0908 Conditions, and for that reason the City will sell the CSU Property to CSU in accordance with the City Charter, but only if such sale is in compliance with the Section 22.0908 Conditions and fulfills the intent and purposes outlined in Measure G.

C. Measure G does not obligate CSU to purchase the CSU Property or take any other actions related to the CSU Property, if CSU chooses not to purchase the CSU Property. However, Measure G requires the City to ensure that the City’s negotiated sale of the CSU Property complies with Measure G.

D. California Education Code section 66606 vests CSU with “full power and responsibility in the construction and development of any state university campus, and any buildings or other facilities or improvements connected with the California State University.” Section 22.0908(x)(12) states “Nothing in this Initiative abrogates, or is intended to abrogate, the authority of the Board of Trustees of the California State University.” CSU is the State of California acting in its higher education capacity, and is generally exempt from local and regional ordinances, regulations, policies and rules, including, without limitation, zoning and land use regulations, when its development, construction, facilities, and uses are in furtherance of its governmental purpose, unless applicable Law specifically says otherwise. Without waiver of CSU’s standing and legal
authority as a state agency, and to enable the City to ensure that the sale complies with the Section 22.0908 Conditions, and fulfills the intent and purposes outlined in Measure G, CSU agrees to be bound by the terms and conditions set forth in this Agreement and the Attachments.

E. The Constitution of the State of California, the City of San Diego Charter, the San Diego Municipal Code, and all relevant ordinances, resolutions and regulations of the City and all other applicable Law vest the City Council of the City with full power and responsibility to perform its obligations and to exercise and enforce its rights under this Agreement and the Attachments. The City is only required to comply with such provisions of Law as may be applicable to the City with respect to the subject matter of this Agreement. The City agrees to sell the CSU Property in compliance with the Section 22.0908 Conditions, and fulfill the intent and purposes outlined in the terms of Measure G.

F. In light of the circumstances stated in Recitals A through E above, the Parties have negotiated, and desire to enter into and be bound by, this Agreement and the Attachments pursuant to which CSU agrees, strictly as a matter of contract, to develop and operate the CSU Property subject to terms and conditions in this Agreement and the Attachments, and in a manner satisfying the City’s concern that the sale must comply with the Section 22.0908 Conditions and fulfill the intent and purposes outlined in Measure G. By agreeing to and entering into this Agreement and the Attachments, CSU is not waiving its standing and legal authority as a state agency, though it agrees, due to the unique circumstances at hand, to be contractually bound by the terms of such agreements and documents. The Parties negotiated the terms of this Agreement and the Attachments in response to the local voters’ approval of Measure G and intend all such agreements and documents to be consistent with the Section 22.0908 Conditions and the intent and purposes outlined in Measure G. A true and correct copy of Measure G is attached as Attachment 29 hereto.

G. Upon CSU’s acquisition of the CSU Property in accordance with this Agreement, and in satisfaction of the Additional Public Benefits (defined in Section 1) and the Section 22.0908 Conditions, CSU is required to undertake certain activities and construct, operate, and maintain various improvements of local and regional public benefit on or about the CSU Property, as further described in this Agreement.

H. CSU desires to purchase the CSU Property from the City, and the City desires to sell the CSU Property to CSU, for CSU’s use and development of the CSU Property in accordance with terms of this Agreement, the Campus Master Plan, the Final EIR, applicable Law, the Section 22.0908 Conditions, and the Additional Public Benefits.

I. This Agreement memorializes the terms and conditions on which: (i) the City agrees to sell to CSU, and CSU agrees to purchase from the City, the CSU Property; and (ii) CSU agrees to use and develop the CSU Property in accordance with the terms of this Agreement, the Campus Master Plan, the Final EIR, applicable Law, the Section 22.0908 Conditions, and the Additional Public Benefits. Section 5 of this Agreement summarizes how this Agreement meets the various requirements of the Section 22.0908 Conditions and satisfies the Additional Public Benefits.
NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, and in consideration of the mutual promises, covenants, conditions, and agreements contained in this Agreement, the City and CSU agree as follows:

If the content of the CSU New Lease resulting from this cooperative effort is inconsistent with the CSU New Lease Summary in any material respect in the reasonable estimation of the Mayor, then the City Council will be required to consider adopting a resolution, in its sole and absolute discretion, to approve the CSU New Lease and authorize the Mayor to sign the CSU New Lease. In addition, CSU agrees to, and will, make the Future Recreation Center Site available for long term lease to the City as memorialized in the Future Recreation Center Site Agreement.

5.10 Reduction of Greenhouse Gas Emissions. Section 22.0908(m) states that the Sale Transaction shall require CSU to develop the Project in compliance with the City’s greenhouse gas emission reduction goals, which are largely encompassed within the City’s Climate Action Plan existing as of the date the Final EIR was certified (adopted by the City Council by Resolution R-2016-309 effective December 15, 2015, as amended by the City Council by Resolution R-2016-762 effective July 12, 2016). CSU’s commitment to comply with this requirement is memorialized in Section 2.11 of the Declaration of Property Development Restrictions and Permitting.

5.11 Stadium Costs. Section 22.0908(n) requires the Sale Transaction to ensure the City does not pay for (i) any rehabilitation costs or demolition, dismantling, or removal costs associated with the Existing Stadium or (ii) any operating costs, maintenance costs, or capital improvement expenses associated with the New Stadium. This requirement is memorialized in Section 2.3 and 2.5 of the Declaration of Property Development Restrictions and Permitting.

5.12 Reimbursement of City’s Costs for Public Safety and Traffic Management. Section 22.0908(n) requires the Sale Transaction to provide for reimbursement of the City’s reasonable costs and expenses incurred in providing public safety and traffic management-related activities for games or other events at the CSU Property. This requirement is memorialized in Section 5.2 of the Declaration of Property Development Restrictions and Permitting.

5.13 Public-Private Partnerships for Development of the Project. Consistent with Section 22.0908(o), the Parties agree that nothing in this Agreement or the Closing of the Sale Transaction will impair or preclude CSU from engaging in public-private partnerships with CSU’s affiliates or other Persons, including any Developer Entities, to finance, construct, or operate the Project.

5.14 Environmental Remediation. Section 22.0908(p) states that the Sale Transaction shall not impair the City’s ability to continue its plan of environmental remediation of the Real Property and the River Park Property based on the City’s existing agreements with responsible parties. As of
the Effective Date of this Agreement, the City and Kinder Morgan have entered into the Kinder Morgan Right of Entry Permit authorizing Kinder Morgan to perform the Well Removal and Abandonment Work as required by the Cleanup and Abatement Order. CSU entered into the Kinder Morgan Expedited Well Removal Agreement with a Kinder Morgan affiliate to facilitate acceleration of the Well Removal and Abandonment Work. Upon entering into the Kinder Morgan Expedited Well Removal Agreement with CSU, Kinder Morgan commenced and is continuing to perform the Well Removal and Abandonment Work. The Kinder Morgan Expedited Well Removal Agreement does not modify the terms of the Kinder Morgan Right of Entry Agreement or the Cleanup and Abatement Order or relieve Kinder Morgan of any of its obligations thereunder or under any other applicable Law, including Environmental Law, or governmental orders or directives. Nothing in this Agreement shall be interpreted as the City’s waiver of its right to pursue recovery of environmental remediation costs directly from Kinder Morgan under the Kinder Morgan Settlement Agreement with respect to the River Park Property. CSU agrees to Cooperate with the City, at no out of pocket cost and with no liability to CSU, by not unreasonably impeding access by the City or a designated third party as necessary to perform testing or remediation, if the City desires to pursue future recovery against Kinder Morgan under the Kinder Morgan Settlement Agreement with respect to the River Park Property.

5.15 No Imposition or Increase of Taxes. Consistent with Section 22.0908(q), the Parties agree that nothing in this Agreement or the Closing of the Sale Transaction will cause any existing taxes paid by City residents to be increased, or any new or additional taxes to be imposed on the City’s residents.

5.16 No Prohibition Against Leases, Sales, or Exchanges. Consistent with Section 22.0908(r), the Parties agree that nothing in this Agreement or the Closing of the Sale Transaction will prohibit CSU from leasing, selling, or exchanging any portion of the CSU Property to CSU’s current or future affiliate or current or future auxiliary organization, or to any other Person, including any Developer Entity, as part of any public-private partnership or arrangement, in furtherance of the Bona Fide Public Purposes; provided, however, that consistent with San Diego Charter section 221, CSU agrees not to assign, to its affiliate or auxiliary organization or any other Person, CSU’s right under this Agreement to purchase the CSU Property prior to the Closing.

5.17 Applicable Taxes for Development on the Property. Section 22.0908(s) requires that the Sale Transaction shall provide for the payment of applicable taxes related to development and operation of the Project. In addition, Section 22.0908(c)(5) requires that the Sale Transaction shall provide for the payment of specified types of applicable taxes, such as sales taxes, possessory interest taxes, and transient occupancy taxes, as applicable, with respect to specified development components of the Project. Those requirements are memorialized in Section 4 of the Declaration of Property Development Restrictions and Permitting.

5.18 Lease Obligations. Consistent with Section 22.0908(t), the Parties agree that nothing in this Agreement or the Closing of the Sale Transaction will change or alter any obligations under any existing lease regarding the use of the Existing Stadium, including the CSU Existing Occupancy Agreement; provided, however, that consistent with the Parties’ mutual desire to consummate the Closing on an expedited basis, the Parties have agreed to enter into the CSU Interim Lease in accordance with Section 3.2 and the CSU New Lease in accordance with Section 3.3 if the Closing
has not occurred on or before the Primary Target Closing Date for any reason other than a City Default.

5.19 **Reservation of Rights in City’s Favor.** Section 22.0908(u) states that the Parties shall acknowledge in the Sale Transaction that: (i) certain portions of the Real Property are owned by the City’s Public Utilities Department, through the City’s Water Utility Fund; (ii) the City’s Water Utility Fund will receive compensation for its portion of the CSU Property; and (iii) the City has reserved rights to extract subsurface water, minerals, and other substances on the Real Property. Consistent with clauses (i) and (ii) of this Section 5.19, the Parties acknowledge that the City’s Water Utility Fund will receive 38.7 percent of the net proceeds of the Base Purchase Price, plus its allocable share of the Time-Value Adjustment Amount, which will depend on the timing of the actual Closing Date. The requirements described in clauses (i) and (ii) are memorialized in reservation language in the City’s favor in the Easement Agreement for City’s Public Facilities During Stage 1 and in the Easement Agreement for City’s Public Facilities During Stage 2. The requirement described in clause (iii) of this Section 5.19 is memorialized in reservation language in the City’s favor in the Grant Deed.

5.20 **Cooperation Regarding Easements and Mapping.** Section 22.0908(v) requires that the Sale Transaction provide for the Parties to Cooperate to modify or vacate easements or secure lot line adjustments on the Real Property (other than easements of the City or its applicable department for which the City retains its full regulatory discretion) so that development of the Project is facilitated. The Parties’ compliance with this requirement is described in Sections 6.6 through 6.14 of this Agreement.

5.21 **Prevailing Wages and Worker Protections.** Section 22.0908(w) sets forth three requirements to be memorialized in the Sale Transaction. First, CSU will be required to pay prevailing wages for construction of the New Stadium and other public improvements, provided that the construction of such New Stadium or other public improvements occurs on state-owned property or involves the use of state funding. Second, CSU will be required, to the extent possible under applicable State Law and subject to applicable CSU collective bargaining agreements, to ensure that all building and construction work within the Project will be performed by contractors and subcontractors licensed by the State of California, who will make good faith efforts to ensure that their workforce construction hours are performed by residents of San Diego County. Third, with respect to the New Stadium, CSU will be required to use good faith efforts to retain qualified employees who currently work at the Existing Stadium. Those requirements are memorialized in Section 2.12 of the Declaration of Property Development Restrictions and Permitting. In addition, to ensure compliance with applicable prevailing wage laws, including payment, reporting, and enforcement obligations, as set forth in California Labor Code section 1720 *et seq.*, CSU acknowledges that the City is not the awarding body for construction, maintenance, or operation of any component of the Project required or contemplated under this Agreement or the Attachments. City acknowledges that CSU is not the awarding body for any non-Project improvements that may be undertaken by the City on the CSU Property or the River Park Property, including for pure water, utility or other improvements constructed by, on behalf of or at the direction of the City.
6. SITE PREPARATION AND REMEDIATION ACTIVITIES.

6.1 Completion of Well Removal and Abandonment Work. From the Effective Date of this Agreement through and including the Closing Date, the City will use commercially reasonable efforts to allow Kinder Morgan to complete the Well Removal and Abandonment Work in accordance with applicable Law, including the Cleanup and Abatement Order. CSU acknowledges that the City will not be responsible or liable for completing the Well Removal and Abandonment Work and that the City has limited ability to either cause Kinder Morgan’s completion of the Well Removal and Abandonment Work or ensure Kinder Morgan’s compliance with applicable Law, including the Cleanup and Abatement Order. CSU further acknowledges the necessity of the Parties to Cooperate with Kinder Morgan to allow Kinder Morgan to fulfill its obligations under the Cleanup and Abatement Order before and after the Closing Date, including Kinder Morgan’s continued monitoring of specified sentinel wells, designated as wells T-11, R-10, R-43AS-AD, R-79AS-AM-AD, and R-87AS. The Well Removal and Abandonment Work is underway as of the Effective Date pursuant to the Kinder Morgan Expedited Well Removal Agreement and the Kinder Morgan Right of Entry Permit, but may or may not be completed prior to the Closing. Nothing in this Agreement shall impose any obligation or liability on the City to incur any out-of-pocket expenses or liability whatsoever, or to retain or to utilize any third party consultants (including experts, advisors, or outside counsel), with respect to the Well Removal and Abandonment Work or compliance with the Cleanup and Abatement Order, to initiate a lawsuit, arbitration, or other proceeding for the purpose of causing Kinder Morgan’s completion of the Well Removal and Abandonment Work or compliance with the Cleanup and Abatement Order, or to take any actions with respect to the Well Removal and Abandonment Work or the Cleanup and Abatement Order before or after the Closing Date. Further, the Parties agree that Kinder Morgan’s completion of the Well Removal and Abandonment Work or compliance with the Cleanup and Abatement Order is not a condition precedent to the Closing and shall not be a basis for either Party to prevent or delay the Closing. If the Well Removal and Abandonment Work is not completed before the Closing, CSU will provide, upon the City’s reasonable request from time to time after the Closing, access to monitoring and extraction wells, vaults, piping, and related facilities on and under the Real Property for monitoring and information purposes, as well as written updates and any related written reports regarding the status of the Well Removal and Abandonment Work, for the purpose of allowing the City to monitor the status of Kinder Morgan’s compliance with the Cleanup and Abatement Order and to assess how such compliance or non-compliance may affect groundwater conditions. Upon the Closing, CSU grants to the City a limited license to access the CSU Property and the monitoring and extraction wells currently owned and operated by Kinder Morgan on the CSU Property, together with any vaults, piping, and related facilities for such purposes.

6.2 Circuit 362. The Parties acknowledge that Circuit 362 constitutes SDG&E’s backup electric source for the Existing Stadium and provides an electric system redundancy in the event of the failure of Circuit 149, which constitutes SDG&E’s main electric source for the Existing Stadium. From the Effective Date of this Agreement through and including the Closing Date, the City intends to retain Circuit 362 on the Real Property to provide a reliable backup electric source for any events to be held at the Existing Stadium. CSU intends to cause SDG&E’s removal of Circuit 362 at the earliest opportunity after the Closing to facilitate the construction of the Project. Accordingly, before the Closing Date and upon CSU’s request, the City will submit to SDG&E any necessary application or request for the removal of Circuit 362, to occur promptly after the Closing in accordance with applicable Law. Further, the City will Cooperate with CSU’s pre-Closing planning
and design activities relating to the post-Closing removal of Circuit 362. Nothing in this Agreement
shall impose any obligation or liability on the City to incur any material out-of-pocket expenses or
liability whatsoever, or to retain or to utilize any third party consultants (including experts, advisors,
or outside counsel), with respect to the removal of Circuit 362 or any related application or to take
any actions with respect to the removal of Circuit 362 other than as expressly set forth in this
Section 6.2.

6.3 Temporary Wetland Impact. CSU anticipates that its construction of a new manhole
connection to an existing 96-inch trunk sewer serving the CSU Property will result in a temporary
wetland impact to City-owned property within or adjacent to the River Park Property. CSU has
entered into the SAA with the California Department of Fish and Game relating to the manhole
connection work and will conduct the manhole connection work in compliance with the SAA and
any other applicable Law, including any applicable requirement to obtain additional Approvals.
CSU will bear all costs and expenses relating to the manhole connection work, including the costs of
complying with requirements of the SAA and restoring the condition of the affected portion of the
CSU Property and City-owned property including the River Park Property to substantially the same
condition that existed prior to the initiation of the manhole connection work and all associated
remedial or restorative activities and all application fees and requirements imposed by any regulatory
agencies in connection with obtaining the required Approvals.

6.4 Storm Drain Outlets. The City will use commercially reasonable efforts to deliver the
Proximate Storm Drain Facilities to CSU upon the Closing in a condition that is free of debris and
vegetation and allows for the Proximate Storm Drains Facilities to properly function. If despite the
City’s commercially reasonable efforts, the City is unable to deliver the Proximate Storm Drain
Facilities in such condition upon the Closing, the City will endeavor diligently to place the
Proximate Storm Drain Facilities in such condition at the earliest practicable date. From and after
the date on which the City delivers the Proximate Storm Drain Facilities to CSU in such condition,
CSU will operate and maintain the Proximate Storm Drain Facilities at CSU’s sole expense. The
City has advised that Proximate Storm Drain Facilities are permitted under the Wetland Mitigation
Project Agreements and are located in exclusion areas, and are therefore outside the boundaries of
the Wetland Mitigation Project Site. To the extent applicable, CSU will comply with any applicable
terms of the Wetland Mitigation Project Agreements in connection with maintenance of the
Proximate Storm Drain Facilities, but the City will remain primarily responsible for compliance with
the terms and requirements of the Wetland Mitigation Project Agreements, including ensuring the
successful completion of the Wetland Mitigation Project and the timely achievement of all
monitoring, maintenance, and compliance standards described in the Wetland Mitigation Project
Agreements. The City agrees to promptly, but in any event within ten (10) Business Days of City’s
receipt, deliver to CSU copies of any correspondence or notices delivered to or received from the
regulatory agencies issuing, enforcing or monitoring compliance with the Wetland Mitigation
Project Agreements. The easement for the Proximate Storm Drain Facilities will be in a form
substantially consistent with Attachment 31.

6.5 City Utilities.

(a) Relocation of Sewer Lines. The City will continue to Cooperate with CSU’s
efforts after the Effective Date to relocate certain existing City sewer lines on the CSU Property and
the River Park Property in order to minimize impacts to CSU’s planned development footprint and
traffic circulation for the Project. Sewer lines to be relocated include, but are not necessarily limited
to, an 8” and 18” sewer line serving the Existing Stadium and the existing Serra Mesa Community
and Fire Station located north of Friars Road and a portion of an existing 36” sewer line located in
the easterly portion of the River Park Property to facilitate the construction of an extension of
Rancho Mission Road. CSU will obtain all applicable Approvals required in connection with the
relocation of City sewer lines. Without affecting any provisions relating to the City’s review and
approval rights over construction or grading within the City’s sewer line easement areas as set forth
in paragraph (c) of this Section, CSU will obtain either public improvement permits or right-of-way
permits, as applicable, from the City in the City’s reasonable discretion prior to: (i) relocating the
existing City sewer lines on the CSU Property or the River Park Property; (ii) constructing or
installing any new City sewer lines on the CSU Property or the River Park Property; and (iii)
establishing a connection to any City sewer pipelines. After the Closing, CSU will bear all costs and
expenses associated with: (a) any sewer line relocation and construction on the CSU Property, the
River Park Property, and any adjacent property impacted by the Project; and (b) the provision and
usage of sewer capacity, connections, and service resulting from the Project in excess of the sewer-
related demands of the Project evaluated in the Final EIR, including any upgrades or system
improvements needed as a result of an increase in such sewer-related demands. The fees charged for
future sewer connections or increased capacity will be calculated taking into account the existing
sewer capacity at the CSU Property as of the Effective Date. The 84/96-inch interceptor sewer on
the River Park Property will remain in its current alignment and will not be relocated as part of the
Project.

(b) Relocation of Water Lines. The City will continue to Cooperate with CSU’s
efforts after the Effective Date to relocate any existing City water lines or facilities on the CSU
Property and the River Park Property to a new location that minimizes impacts to CSU’s planned
development footprint and traffic circulation for the Project. Water lines to be relocated include, but
are not necessarily limited to, an existing 48-inch Alvarado water transmission main and the existing
16-inch water transmission main. In addition, the City will Cooperate with CSU’s efforts after the
Closing to obtain new water meters and irrigation meters to serve the Project, in the capacity and
quantity commensurate with the water demand to be created by the Project as identified in the Water
Supply Assessment prepared in compliance with applicable state and local Law in connection with
CSU’s proposed relocation of any water lines. CSU will obtain all applicable Approvals required in
connection with the relocation of City water lines. Without affecting any provisions relating to the
City’s review and approval rights over construction or grading within the City’s water line easement
areas as set forth in paragraph (c) of this Section, CSU will obtain either public improvement permits
or right-of-way permits, as applicable, from the City in the City’s reasonable discretion prior to: (i)
relocating the existing City water lines on the CSU Property or the River Park Property; (ii)
constructing or installing any new City water lines on the CSU Property or the River Park Property;
and (iii) establishing a connection to any City water pipelines. After the Closing, CSU will bear all
costs and expenses associated with: (a) any water line or facility relocation and construction on the
CSU Property, the River Park Property, and any adjacent property impacted by the Project; (b) the
installation of any new water meters and irrigation meters on the CSU Property, the River Park
Property, and any adjacent property impacted by the Project; and (c) the provision and usage of
water capacity, connections, and service benefitting the CSU Property and the River Park Property
or resulting from the Project in excess of the water-related demands of the Project evaluated in the
Final EIR, including any upgrades or system improvements needed as a result of an increase in such
water-related demands. The fees charged for future water connections or increased capacity will be

-30-
calculated taking into account the existing water capacity at the CSU Property as of the Effective Date. CSU will ensure that the Project is designed to include adequate water service for the River Park Property, both during Project construction and after Project completion. CSU will also ensure that the Project is designed to include adequate water service for the Wetland Mitigation Project Site, until such time as the City has received regulatory sign-off confirming the successful completion of conditions set forth in the Wetland Mitigation Project Agreements, which is currently anticipated to occur in March, 2023. Pending the City’s review and approval of proposed City Public Improvement Plans submitted by CSU, it is presently anticipated by CSU that all onsite water mains will be owned and maintained by CSU, except that the existing 48-inch Alvarado water transmission main, the existing 16-inch water transmission main and the existing pressure-reducing station will continue to be owned and maintained by the City.

(c) Construction Within City Sewer and Water Line Easements. CSU agrees that improvements constructed within City sewer and water line easements on the CSU Property and the River Park Property will be limited to landscaping, hardscaping, streetscaping, recreational fields, bike paths, trails and similar improvements. Prior to constructing or installing improvements (or permitting the construction or installation of improvements) within any City sewer or water line easement on the CSU Property or the River Park Property, CSU will provide to PUD and DSD, for review and approval, the CSU Property Development Plans Within City Easements depicting proposed grading and site development construction activities within the affected City easements. Before CSU issues a grading permit, construction permit, or any other permit allowing such grading or construction activities, or commences any such grading or construction activities on the CSU Property or the River Park Property within such a City easement, PUD will have first reviewed and approved the proposed CSU Property Development Plans Within City Easements, with PUD’s approval being confirmed via a signed letter from PUD’s Director, and DSD will have issued all applicable permits and approvals as set forth in paragraphs (a) and (b) in this Section, and CSU will have obtained an encroachment maintenance and removal agreement from the City in a form mutually agreeable to the Parties. PUD’s review and approval of the CSU Property Development Plans Within City Easements and any modifications to those plans will be limited to PUD confirming: (i) the CSU Property Development Plans Within City Easements are consistent with PUD-related City regulations in the Land Development Code and the Land Development Manual, specifically Appendix N – Water Design Guide and Sewer Design Guide; and (ii) CSU’s grading activities will not impair, damage, or interfere with PUD’s groundwater management program or existing public utilities. CSU will not modify the approved CSU Property Development Plans Within City Easements, or undertake any grading or construction activities in conflict with such approved plans, after PUD confirms its approval of such plans in writing. The City will have the right to reasonably inspect CSU’s grading or construction activities occurring within City easements for water and sewer lines to ensure conformance with the approved CSU Property Development Plans Within City Easements.

6.6 Parcel Map.

(a) Content of Map. As of the Effective Date of this Agreement, CSU has submitted, and the City is processing, the Parcel Map application, which Parcel Map is intended to (i) accomplish lot line adjustments establishing the CSU Property, the River Park Property, and the balance of the City’s land ownership in the immediate vicinity of the CSU Property as three separate legal parcels and (ii) depict certain public easements and public rights-of-way needed in connection
with the future operation of the Project. To the extent consistent with the mutual requirements and objectives of the Parties in connection with the Project, the Parcel Map will be developed in accordance with the Preliminary Parcel Map, which is included as Attachment 34 to this Agreement, and will incorporate and identify the permanent locations of (a) the Proposed Public Easement and Right-of-Way Dedications for the benefit and in favor of the City, which are tentatively planned by CSU to be located as depicted on Attachment 13 to this Agreement, and (b) proposed utility easements located within the River Park for the benefit of CSU, which are tentatively planned by CSU to be located as depicted in Attachment 34 to this Agreement. The Parties conceptually agree to locate easements, lot lines, rights-of-way, and other matters as depicted on Attachment 13 and Attachment 34, but acknowledge that the final location and physical dimensions related to such matters are subject to refinement in connection with final engineering of the Project. The Parties will Cooperate to finalize the ultimate location and physical dimensions related to such matters after the Closing. CSU will grant public easements and dedicate public rights-of-way to the City in the locations generally depicted on Attachment 13, unless CSU determines such locations unreasonably interfere with the Project or the City determines such locations unreasonably interfere with its ability to operate public utilities or streets, in which case the Parties will Cooperate to select mutually acceptable alternative locations that best meet the objectives of both Parties. The City will grant utility easements to CSU on the River Park Property in the general locations depicted on Attachment 34, unless the City determines such locations unreasonably interfere with the City’s utilities (and, if applicable, the City’s streets), in which case the Parties will Cooperate to select mutually acceptable alternative locations that allow CSU’s utilities within its easement areas to retain their functionality.

(b) Approval of Map. Each Party must consider approval of the Parcel Map in accordance with its own regulations, requirements, and processes. If the Parcel Map has been approved by the Parties and signed by all Persons whose signature is legally required, CSU will cause the approved Parcel Map to be recorded in the Official Records. The Parties acknowledge that the recording of the Parcel Map may occur either in connection with the Closing or after the Closing, and is not a condition precedent to the Closing.

(c) Potential Alternative Process. If CSU’s proposed Parcel Map is in substantial conformance with the City’s applicable regulations and requirements, the City anticipates that the City’s approval process will be ministerial in nature. If the Parties are unable to agree upon the form, content, or process of the Parcel Map, or if the City requires a discretionary approval process with respect to the Parcel Map application, either Party may deliver written notice to the other Party electing not to proceed with the Parcel Map. Promptly after either Party’s delivery of such written notice, the Parties will Cooperate diligently and expeditiously to grant easements to each other and to cause CSU’s dedication of public rights-of-way to the City based on mutually acceptable easement requirements and physical dimensions and in a manner consistent with the language and intent of this Section and Sections 6.7 through 6.10, inclusive.

6.7 Recording of Easement Agreements. The Parties agree as follows with respect to the recording of the Grant Deed and the Easement Agreements:

(a) Potential Revisions. All of the Easement Agreements may need to be modified as the details for specific development of the Project advance. Therefore, the final content of certain Easement Agreements may need to be modified in certain respects before the Closing, but after the Effective Date of this Agreement. Before the Closing, the Parties will Cooperate with each
other to finalize the content of the Easement Agreements, including any modifications as may be reasonably necessary to satisfy the mutual requirements and objectives of the Parties in connection with both the Project and their respective property interests to be held after the Closing.

(b) **Pre-Map Closing.** If the Closing occurs before the Parcel Map is recorded in the Official Records, then the Parties mutually intend that the Easement Agreements for Stage 1 Recordation will be recorded in Senior Priority against the CSU Property in the Official Records upon the Closing, subject to any mutually agreeable revisions to the Easement Agreements. In such event, the Parties will continue to Cooperate after the Closing to accomplish the recording of the Easement Agreements for Stage 2 Recordation in conjunction with the recording of the approved Parcel Map. CSU agrees that the Easement Agreements for Stage 2 Recordation that benefit the City will be recorded in Senior Priority against the CSU Property. The City agrees that the Easement Agreements for Stage 2 Recordation that benefit CSU will be recorded in Senior Priority against the River Park Property or the Wetland Mitigation Project Site, as applicable.

(c) **Map-Based Closing.** If the Closing occurs in conjunction with the recording of the approved Parcel Map, then the Parties mutually intend that the Easement Agreements will be recorded in Senior Priority against the CSU Property in the Official Records upon the Closing, subject to any mutually agreeable revisions to such Easement Agreements or any mutual understanding that certain Easement Agreements are no longer needed based on the then-prevailing circumstances.

6.8 **Existing Easements Vacation Approval.** As of the Effective Date of this Agreement, CSU has submitted, and the City is processing, an application for the Existing Easements Vacation Approval, which is intended to cause the City to vacate the Existing Easements for Proposed Vacation to the extent those easements are no longer required for the City’s benefit. The Parties will continue to Cooperate with each other relating to the application for the Existing Easements Vacation Approval. The Parties conceptually agree upon the location of Existing Easements for Proposed Vacation as depicted in Attachment 11. The Parties will Cooperate to finalize the application for Existing Easements Vacation Approval for submittal to City Council for the City Council’s consideration. If CSU’s application for the Existing Easements Vacation Approval both fulfills the provisions and intent of this Agreement and complies with the City’s applicable regulations and requirements relating to the City’s Process Five decision-making level for the vacation of public easements (including Municipal Code section 125.1001 *et seq.*), City staff will present and support the Existing Easements Vacation Approval for the San Diego Planning Commission’s recommendation and the City Council’s consideration at the earliest practicable opportunity. CSU acknowledges that the San Diego Planning Commission retains discretion whether to recommend in favor of the Existing Easements Vacation Approval and that the City Council retains discretion whether to grant the Existing Easements Vacation Approval application. Nothing in this Agreement requires the San Diego Planning Commission or the City Council to recommend, approve, or take any particular action with respect to such application.

6.9 **Existing Rights-of-Way Vacation Approval.** As of the Effective Date of this Agreement, CSU has submitted, and the City is processing, an application for the Existing Rights-of-Way Vacation Approval, which is intended to cause the City to vacate the Existing Rights-of-Way for Proposed Vacation to the extent those rights-of-way are no longer required for the City’s benefit. The Parties will continue to Cooperate with each other relating to the application for the Existing
Rights-of-Way Vacation Approval. The Parties conceptually agree upon the location of Existing Rights-of-Way for Proposed Vacation as depicted in Attachment 12. The Parties will cooperate to finalize the application for Existing Rights-of-Way Vacation Approval for submittal to City Council for the City Council’s consideration. If CSU’s application for the Existing Rights-of-Way Vacation Approval both fulfills the provisions and intent of this Agreement and complies with the City’s applicable regulations and requirements relating to the City’s Process Five decision-making level for the vacation of public rights-of-way (including Municipal Code section 125.0901 et seq.), City staff will present and support the Existing Rights-of-Way Vacation Approval for the San Diego Planning Commission’s recommendation and the City Council’s consideration at the earliest practicable opportunity. CSU acknowledges that the San Diego Planning Commission retains discretion whether to recommend in favor of the Existing Rights-of-Way Vacation Approval and that the City Council retains discretion whether to grant the Existing Rights-of-Way Vacation Approval application. Nothing in this Agreement requires the San Diego Planning Commission or the City Council to recommend, approve, or take any particular action with respect to such application. To the extent feasible, the City will consolidate the pending applications for the Existing Easements Vacation Approval and the Existing Rights-of-Way Vacation Approval for concurrent processing.

6.10 City Public Improvement Plans. As of the Effective Date of this Agreement, CSU has prepared and submitted to DSD, the proposed City Public Improvement Plans to depict public utility improvements and street improvements to be constructed on the CSU Property and the River Park Property in connection with the Project that will be owned, operated, and maintained by the City following such construction. CSU will be required to obtain public improvement permits or public right-of-way permits, as applicable, with respect to the proposed public utility improvements and street improvements. To the extent feasible, the City will consolidate the City Public Improvement Plans for processing concurrently with the Existing Easements Vacation Approval application and the Existing Rights-of-Way Vacation Approval application. CSU will allow the City’s employees or authorized representatives to access the CSU Property after the Closing to inspect any work completed by or at the direction of CSU in accordance with the approved City Public Improvement Plans and any related permits. CSU will be solely responsible for the cost of construction and installation of all public utility improvements on the CSU Property and the River Park Property.

6.11 Flood Map Revision. The Parties acknowledge that CSU intends to cause portions of the Project to be graded and removed from the 100-year floodplain during construction of the Project, subject to FEMA review and approval of the Flood Map Revision. The City, in its capacity as the floodplain administrator, will cooperate with the effort to obtain FEMA’s approval of the Flood Map Revision as may be needed to facilitate CSU’s development of the Project, provided that the City will not be required to incur any associated material out-of-pocket expenses or liability whatsoever. The City’s reasonable cooperation will include the City’s signature of one or more “Community Acknowledgment Forms” in reliance on grading plans and related materials prepared by CSU or its consultants, in form and content reasonably acceptable to the City, and the City’s reasonable coordination with CSU to submit all applications and materials to FEMA relating to the Flood Map Revision. CSU will prepare the proposed Community Acknowledgment Form and any other applications and materials associated with the Flood Map Revision in a manner that achieves full compliance with applicable Law and is in substantial conformance with the City’s applicable regulations and requirements pertaining to grading activities in a floodplain. CSU will pay all fees and expenses associated with CSU’s preparation, and FEMA’s processing, of all applications and
materials relating to the Flood Map Revision. The Parties will reasonably and promptly Cooperate with each other to finalize the content of any submittals made to FEMA and any follow-up responses to FEMA as may be required.

6.12 On-Site Grading Plans. CSU has provided the City with On-Site Grading Plans depicting CSU’s proposed development within any floodplain on the CSU Property and the River Park Property. The City has provided review comments on the On-Site Grading Plans. Before CSU issues a grading permit or commences any construction activity within any floodplain on the CSU Property or the River Park Property, CSU will submit to DSD and TSW for review, revised On-Site Grading Plans and CSU will respond to DSD and TSW comments and consult with DSD and TSW. This review and consultation is intended to confirm CSU’s plans do not materially conflict with: (i) MS4 storm water requirements, understanding that CSU will issue its own grading permit complying with storm water requirements; and (ii) applicable City requirements, which include the Land Development Code (including Chapter 14, Article 2, Divisions 1 and 2, and Chapter 14, Article 3, Divisions 1 and 3) and the Land Development Manual (including Appendixes B – Drainage Design Manual, H – Standard Drawings, O – Storm Water Standards Manual, and S – FEMA Definitions). CSU will make a good faith effort to incorporate all comments received from DSD and TSW into the final On-Site Grading Plans. CSU will provide a written explanation to DSD and TSW if any of their comments are not incorporated, but further consultation will not be required before CSU may proceed with issuance of its grading permit or construction activities. CSU will ensure that all grading associated with the establishment and implementation of water quality best management practices achieves a hydraulic disconnection between the basin areas and the adjacent San Diego River 100-year floodplain. CSU will bear all costs and expenses associated with the performance of any grading activities within any floodplain on the CSU Property and the River Park Property and all costs associated with obtaining the necessary Approvals for such grading activities.

(a) Existing Monitoring Wells. As a condition to the Closing, the Parties will enter into a right of entry agreement that: (i) provides the City with continued physical access on, over, and under a portion of the CSU Property as may be reasonably necessary for the City to operate, maintain, repair, and restore, and collect data from, the Existing Monitoring Wells; (ii) is based upon PUD’s standard form of easement for utility infrastructure and is adequate to protect the City’s interests in the Existing Monitoring Wells, but is not styled as an easement; (iii) is recorded in the Official Records in Senior Priority upon the Closing; (iv) is irrevocable by CSU until such time that CSU demolishes the Existing Monitoring Wells in accordance with the process set forth in paragraph (b) of this Section; and (v) will terminate automatically, without the need for the approval of any vacation process or the recording of any subsequent document, when CSU demolishes the Existing Monitoring Wells in accordance with the process set forth in paragraph (b) of this Section, provided that once automatic termination has occurred and promptly upon CSU’s request, the City will sign and deliver to CSU an appropriate document, in recordable form, to confirm such automatic termination. The City acknowledges that CSU intends to destroy the Existing Monitoring Wells, at CSU’s sole expense, after the Closing in connection with its grading and construction activities on the CSU Property. CSU will not commence destruction of the Existing Monitoring Wells until after PUD has first approved in writing CSU’s application to install the New Monitoring Wells as described in paragraph (b) of this Section. The Parties acknowledge that a gap in time, estimated to
be approximately 18 months, may exist between CSU’s destruction of the Existing Monitoring Wells and CSU’s installation of the New Monitoring Wells.

(b) Application to Install New Monitoring Wells. Prior to CSU’s demolition of the Existing Monitoring Wells, the Parties will negotiate in good faith to determine mutually acceptable locations (and easement dimensions, if applicable) for CSU’s installation of the New Monitoring Wells at its sole expense. The New Monitoring Wells will be substantially similar in quality and type to the Existing Monitoring Wells as they exist as of the Effective Date. CSU will submit to the City an application, with all such supporting materials as may be reasonably requested by the City, to install the New Monitoring Wells in the locations mutually determined by the Parties in accordance with paragraph (c) of this Section. CSU will install the New Monitoring Wells in such mutually acceptable locations at its sole expense, after the City has first approved in writing CSU’s application for installation of the New Monitoring Wells in accordance with the City’s standard application process applicable to relocation of City water and sewer facilities and after CSU has first obtained all other required Approvals. Within fifteen (15) Business Days after the City has received CSU’s complete application to install the New Monitoring Wells, the City will either approve the application in writing or provide written comments to CSU regarding the application. CSU will promptly address the City’s written comments (if any) and submit updated application materials to the City. Within fifteen (15) Business Days after the City receives any updated application materials, the City will either approve CSU’s application or provide written comments to CSU.

(c) Potential New Monitoring Wells on CSU Property. The City will use commercially reasonable efforts to select locations for CSU’s installation of the New Monitoring Wells outside of the CSU Property in two of the locations depicted in Attachment 25-B. The Parties’ current preference is that CSU install the New Monitoring Wells on the City’s public right-of-way located adjacent to the CSU Property. If either or both of the New Monitoring Wells are to be located on property not owned by CSU but are located within the City’s public right-of-way, then the City will issue a standard right of entry permit or similar ministerial permit to CSU, allowing CSU to install the New Monitoring Wells on such property. If installation of either of the New Monitoring Wells on the City’s public right-of-way is not feasible, the Parties will negotiate in good faith to select mutually acceptable locations for CSU’s installation of one or both of the New Monitoring Wells on the CSU Property in a manner that both avoids adverse impacts on CSU’s development and operation of the Project as depicted in the Campus Master Plan and meets PUD’s objectives for groundwater monitoring related to detection of groundwater contamination and the groundwater flow. Any installation of New Monitoring Wells on the CSU Property will not occur until after CSU has completed grading the CSU Property for the Project. CSU will grant the City one or more easements, with physical dimensions that are no larger than necessary to meet PUD’s objectives related to detection of groundwater contamination and groundwater flow, in accordance with PUD’s standard form of easement, to operate, maintain, repair, and restore, and collect data from, any New Monitoring Wells to be located on the CSU Property.

(d) Sharing of Monitoring Well Data. Upon the request of either Party, the other Party will share data from any of its monitoring wells on or around the CSU Property and the River Park Property.

6.14 Cooperative Efforts.
(a) **Coordination.** The Parties acknowledge that close cooperation and coordination will be required to develop the Project after the Closing because, among other reasons, many public facilities and utilities owned and operated by the City will need to be relocated, realigned, constructed, reconstructed, or otherwise impacted at CSU’s sole expense during construction of the Project and because CSU is required under the Section 22.0908 Conditions and the Additional Public Benefits to complete construction of the New Stadium and improvements on the River Park Property no later than the Delivery Date. Accordingly, the City agrees to Cooperate reasonably with CSU’s implementation of the Project and to timely process for consideration all applications for necessary Approvals, including encroachment permits for construction within public rights-of-way, City Public Improvement Plan approvals, and the granting of utility, drainage, or other easements, upon CSU’s payment of applicable City processing fees and subject to CSU’s compliance with applicable Law, including the City’s applicable rules and regulations. The City also agrees reasonably and timely to support and help facilitate CSU’s applications with other governmental entities with respect to any development activities on the Project, as long as such applications comply with applicable Laws and do not adversely affect the City’s interests. If CSU pays the City’s normal fees applicable for expedited processing, then once CSU’s submittal is deemed complete, the City will expedite its review of CSU submittals and endeavor to finalize its review within fifteen (15) Business Days after the date of each complete initial submittal and (if applicable) each complete subsequent submittal. If an application submitted to the City is deemed incomplete, the City will advise CSU of such incompleteness within fifteen (15) Business Days of the City’s receipt of such application. However, the City will be unable to offer expedited review to the extent that CSU is proposing any material deviations from the City’s standards and regulations. Nothing in this Agreement shall impose any obligation on the City to incur any out-of-pocket costs or expenses or liability whatsoever with respect to the City’s reasonable cooperation with CSU’s implementation of the Project and the related processing of any applications for Approvals.

(b) **Extension of Delivery Date.** Subject to written notice duly provided by CSU to the City pursuant to paragraph (c) below, the Delivery Date shall be extended for up to a maximum of twenty-four (24) aggregate months (or thirty-six (36) aggregate months if due to an Injunction) due solely to an Unavoidable Delay that arises before the Delivery Date or an Injunction preventing CSU’s completion of the improvements for the River Park, the New Stadium or other performance obligation required herein (provided that CSU has diligently and in good faith taken all reasonable steps to cause the dissolution or vacation of such Injunction). Notwithstanding the foregoing, there shall be no extension of the Delivery Date under any circumstances due to the financial condition, insolvency, or inability to obtain financing on the part of CSU.

(c) **Notice of Delay.** Within ten (10) Business Days after first learning of any cause described in paragraph (b) above that will cause a delay of the construction of the improvements on the River Park Property and/or the New Stadium to completion by the Delivery Date, CSU will deliver written notice to the City describing in reasonable detail the nature of the delay, an explanation of the cause of the delay, the date of occurrence of the delay, a reasonable estimate of the length of delay, and all reasonably available supporting data. During the applicable period of extension described in paragraph (b) above, CSU will not be in Default for failing to meet the Delivery Date.

(d) **Delay Due to Environmental Remediation of the River Park Property.** Prior to CSU’s commencement of construction of the River Park Improvements, CSU will deliver to the City
its schedule for construction of the River Park Improvements. Such construction is estimated to be completed within approximately two (2) years after the commencement of construction of the River Park Improvements. If the construction is delayed due to environmental studies and remediation, CSU will be entitled to occupy buildings in addition to the New Stadium at such time as the construction of the River Park Improvements would have been completed but for the delay associated with the environmental studies and remediation conducted by the City or a designated third party.

6.15 **Municipal Services.** The City will Cooperate in providing water, sewer, and other municipal services (excluding police services) with respect to the CSU Property on the same terms and conditions, and based on the same cost structure, available to the general public. Pursuant to California Education Code section 67381, San Diego State University Police Department, acting as the campus law enforcement agency, through its authority under Penal Code section 830.2(c), will have primary authority for providing police or security services, including the investigation of criminal activity, on the CSU Property. Prior to the Closing Date, and outside of the Escrow, the Parties will Cooperate with the goal of causing their respective law enforcement agencies (i.e., San Diego Police Department and San Diego State University Police Department) to enter into a written memorandum of understanding that identifies and allocates responsibilities and, if applicable, costs, between the law enforcement agencies for providing police services and responding to incidents on the CSU Property and on areas contiguous to the CSU Property, including the River Park Property.

6.16 **Notice of Transfer Under 401 Certification.** The portion of the CSU Property comprising Murphy Canyon Creek and certain property owned by the City comprising the Wetland Mitigation Project Site (collectively, “401 Project Area”) are subject to that certain Clean Water Act Section 401 Certification and Waste Discharge Requirements for Discharge of Dredged and/or Fill Materials issued by the California Regional Water Quality Control Board, San Diego Region ("Water Board"), as Certification No. R9-2013-0124 dated November 14, 2014 ("401 Certification"). The work resulting in impacts to the portion of the CSU Property covered by the 401 Certification have been carried out, but the City has continuing obligations with respect to the Wetland Mitigation Project Site. Section VI.E.1 of the 401 Certification provides that if any portion of the 401 Project Area is transferred to a new owner, notification must be given to the Water Board within ten (10) days of transfer of ownership. Accordingly, upon the Closing, the Parties agree to jointly notify the Water Board that (i) a portion of the 401 Project Area has been transferred to CSU; (ii) all impacts to the CSU owned portion of the 401 Project Area have been carried out; (iii) City will retain ownership of the Wetland Mitigation Project Site and responsibility for obligations relating thereto, including for maintenance and monitoring of habitat until the success criteria have been met and long-term management thereafter; and (v) accordingly, the Parties do not intend to transfer the 401 Certification to CSU. In addition, to the extent CSU is required or desires to obtain permits from state or federal agencies for future maintenance or repair of the portion of Murphy Canyon Creek existing on the Murphy Canyon Creek Parcel or Southern Murphy Canyon Creek, the City agrees to Cooperate by providing CSU with copies of historical permits, applications, correspondence and related materials as CSU may reasonably request.

6.17 **Wetland Mitigation.** As evaluated in the Final EIR, CSU’s development of the Project is anticipated to impact certain existing wetlands, and CSU will be required to adequately mitigate this impact. To assist CSU in fulfilling this requirement, the City grants to CSU the option, to be exercised at CSU’s sole discretion and no later than the Delivery Date, to purchase from the
City wetland mitigation credits corresponding to up to one acre of wetland mitigation area within the Wetland Mitigation Project Site for a total purchase price of $230,000 (Two Hundred Thirty Thousand Dollars) per acre, subject to the approval of an application jointly submitted by the Parties to the applicable regulatory authorities. CSU agrees not to create or install any wetland mitigation areas on any portion of the River Park Property.

6.18 **Survival.** The provisions of this Section 6 shall survive the Closing to the extent that any pertinent obligations have not been fully satisfied as of the Closing.

7. **RIGHTS AND OBLIGATIONS REGARDING ANY NEW LAWSUIT.**

7.1 **CSU’s Assumption of Risk.** Notwithstanding anything to the contrary in this Agreement, CSU assumes all risk of delays or damages that may result from any Third Person’s initiation of any New Lawsuit, including the payment of Legal Costs.

7.2 **CSU’s Right to Terminate Agreement.** If any Third Person initiates a New Lawsuit, in which CSU is named as a defendant, a respondent or a real party in interest, prior to the Closing, then at any time prior to the Closing, CSU will have the right to cancel the Escrow and terminate this Agreement by delivering written notice of termination to the City and Escrow Agent, in which case the Parties and the Escrow Agent will proceed in accordance with Section 9.11.

7.3 **CSU’s Defense and Indemnification of City.** If any Third Person initiates a New Lawsuit adverse to the City, then CSU agrees to defend, indemnify, and hold harmless the City Indemnified Parties from and against all Claims related to or comprising the New Lawsuit. The foregoing indemnity shall not apply to the extent of any Claims arising solely from a breach of any representations or warranties by the City in Section 10.2 or to any New Lawsuit alleging that as part of the City Approval Actions the City failed to properly notice a matter, including notices as required by the Ralph M. Brown Act. The provisions of this Section 7.3 shall be subject to the procedures described in Section 12.6 and shall survive the Closing or the termination of this Agreement, as applicable.

7.4 **Reasonable Cooperation.** If any Third Person files a New Lawsuit in which CSU is named as a defendant, a respondent, or a real party in interest, then the City will Cooperate with CSU’s defense of such New Lawsuit; provided, however, that the City will not incur any liability whatsoever and will not be required to incur any related out-of-pocket expenses or costs. The provisions of this Section 7.4 shall survive the Closing or the termination of this Agreement, as applicable.

8. **CONDITIONS PRECEDENT TO THE CLOSING.**

8.1 **CSU’s Conditions.** Provided that the failure of any condition to be satisfied is not due to CSU’s Default under this Agreement, CSU’s obligation to purchase the CSU Property from the City on the Closing Date shall be conditioned upon the satisfaction, or CSU’s signed written waiver, of each of the following conditions precedent on or before the Closing Date:

(a) **Title Policy.** Title Company will be irrevocably committed to issue the Title Policy at the Closing upon payment of Title Company’s premium.
(b) **City’s Deliveries.** The City will have delivered to Escrow Agent, at or before the Closing, all items to be delivered by the City as described in Section 9.5.

(c) **City’s Representations and Warranties.** Each of the City’s representations and warranties set forth in Section 10.2 shall be true and correct in all material respects as of the Closing Date.

(d) **City’s Performance.** The City will have performed all of its material obligations required by this Agreement to be performed before the Closing, including the City’s covenants under Section 10.1.

(e) **City Approval Actions.** The City Council will have approved the City Approval Actions.

(f) **No Injunction Preventing Closing.** There shall be no Injunction Preventing Closing.

(g) **CSU’s Closing Statement.** CSU will have reasonably approved CSU’s escrow closing statement as described in Section 9.8.

8.2 **City’s Conditions.** Provided that the failure of any condition to be satisfied is not due to the City’s Default under this Agreement, the City’s obligation to sell the CSU Property to CSU on the Closing Date will be conditioned upon the satisfaction, or the City’s signed written waiver, of each of the following conditions precedent on or before the Closing Date:

(a) **CSU’s Deliveries.** CSU will have delivered to Escrow Agent, at or before the Closing, all items to be delivered by CSU as described in Section 9.4.

(b) **CSU’s Representations and Warranties.** Each of CSU’s representations and warranties set forth in Section 10.3 shall be true and correct in all material respects as of the Closing Date.

(c) **CSU’s Performance.** CSU will have performed all of its material obligations required by this Agreement to be performed before the Closing.

(d) **CSU Approval Actions.** The CSU Board of Trustees will have approved the CSU Approval Actions.

(e) **City’s Closing Statement.** The City will have reasonably approved the City’s escrow closing statement as described in Section 9.8.

8.3 **Failure of Closing Conditions.** Provided that the failure of any condition precedent under this Section 8 to be satisfied is not due to either Party’s Default under this Agreement, the Party benefitted by the condition precedent will be entitled to (i) waive the unfulfilled condition in writing and proceed with the Closing (if the Closing is feasible under such circumstances), without modification to, or abatement of, the Final Adjusted Purchase Price, or (ii) cancel the Escrow and terminate this Agreement by delivering written notice to the other Party and Escrow Agent within ten (10) Business Days after the scheduled Closing Date. Upon delivery of the written notice of
termination, the Parties and Escrow Agent will proceed in accordance with Section 9.11. If either Party terminates this Agreement in accordance with this Section 8.3 such Party will not incur any resulting liability to the other Party or any other Person.

9. **JOINT ESCROW INSTRUCTIONS.**

9.1 **Opening of Escrow.** The purchase and sale of the CSU Property will take place through the Escrow to be administered by Escrow Agent. Within one (1) Business Day after receiving the City’s delivery of the duplicate original of this Agreement in accordance with Section 2.7, Escrow Agent will sign and deliver to each Party a copy of Escrow Agent’s Consent, which shall confirm the Escrow Opening Date.

9.2 **Escrow Instructions.** This Section 9, together with Section 2, constitute the joint escrow instructions of the Parties to Escrow Agent for the conduct of the Escrow for the purchase and sale of the CSU Property, as contemplated by this Agreement. The Parties will sign such further escrow instructions consistent with the provisions of this Agreement as may be reasonably requested by Escrow Agent. Either Party may prepare supplemental escrow instructions consistent with the provisions of this Agreement, subject to the other Party’s reasonable approval. In the event of any conflict between the provisions of this Agreement and any further escrow instructions requested by Escrow Agent or prepared by either Party, the provisions of this Agreement shall control unless the Parties have expressly stated their mutual intent in the further escrow instructions to supersede any provisions of this Agreement.

9.3 **Escrow Agent’s Authority.** The Parties authorize Escrow Agent to: (i) pay and charge the Parties for their respective shares of the applicable fees, taxes, charges, and costs payable by either Party regarding the Escrow; (ii) release each Party’s escrow closing statement to the other Party; (iii) file all Recordable Closing Documents with the County Recorder for recording in the Official Records, pursuant to the joint instructions of the Parties; and (iv) utilize documents signed by each Party in counterparts, including attaching separate signature pages to one original of the same document.

9.4 **CSU’s Escrow Deposits.** CSU will deposit all of the following items into the Escrow at least one (1) Business Day before the Closing Date:

(a) **Closing Statement.** CSU’s escrow closing statement, signed by CSU’s authorized representative(s);

(b) **Closing Document Deliverables.** All Closing Document Deliverables, signed by CSU’s authorized representative(s), and acknowledged by a notary public (where applicable with respect to documents to be recorded in the Official Records);

(c) **Closing Funds.** All monetary amounts, in Immediately Available Funds, required to be deposited into the Escrow by CSU under the terms of this Agreement to close the Escrow, as shown in CSU’s signed escrow closing statement; and

(d) **Other Reasonable Items.** Any other money or documents required to be delivered by CSU under the terms of this Agreement or as reasonably requested by Escrow Agent or Title Company to close the Escrow or comply with Law.
9.5 City’s Escrow Deposits. The City will deposit all of the following items into the Escrow at least one (1) Business Day before the Closing Date:

(a) Closing Statement. The City’s escrow closing statement, signed by the City’s authorized representative(s);

(b) Closing Document Deliverables. All Closing Document Deliverables, signed by the City’s authorized representative(s), and acknowledged by a notary public (where applicable with respect to documents to be recorded in the Official Records); and

(c) Other Reasonable Items. Any documents required to be delivered by the City under the terms of this Agreement or as reasonably requested by Escrow Agent or Title Company to close the Escrow or comply with Law, including any affidavit or indemnity that the Title Company may reasonably require to issue the Title Policy without taking exception for any “gap” due to the inability to effectively search title records as a result of COVID-19 related delays in updating title records.

9.6 Closing Procedure. Upon Escrow Agent’s receipt of written confirmation from the Parties that their respective conditions precedent to the Closing are satisfied or waived, Escrow Agent will facilitate the Closing by taking all of the following actions:

(a) Recording and Distribution of Documents. Escrow Agent will cause the Recordable Closing Documents to be filed with the County Recorder for recording in the Official Records regarding the Real Property and the River Park Property upon the Closing in the order of priority shown in the Recordable Closing Documents List. Upon the Closing, Escrow Agent will deliver, to the Parties and any other Person designated in the written joint escrow instructions of the Parties, conformed copies of all Recordable Closing Documents that have been filed with the County Recorder for recording in the Official Records and a fully-executed original of all other documents identified on the Closing Documents List deposited into the Escrow before the Closing. Each conformed copy of a Recordable Closing Document shall show all recording information.

(b) Funds. Escrow Agent will distribute all funds held in the Escrow pursuant to the approved escrow closing statements.

(c) FIRPTA Affidavit. Escrow Agent will file the completed FIRPTA Affidavit, as identified in the Closing Documents List, with the United States Internal Revenue Service.

(d) Form 593-C. Escrow Agent will file the completed Form 593-C, as identified in the Closing Documents List, with the California Franchise Tax Board.

(e) Title Policy. Escrow Agent will obtain from Title Company, and deliver to CSU, with a copy to the City, the Title Policy issued by Title Company.

9.7 Timing of Closing.

(a) Primary Target Closing Date. The Parties will reasonably endeavor to accomplish the Closing on or before the Primary Target Closing Date and, if the Closing does not
occur by then due to an Injunction Preventing Closing, then the Closing shall occur not later than the
Outside Closing Date, subject to paragraphs (b) through (g) of this Section 9.7.

(b) **First Extended Closing Date.** If the Closing does not occur by the Primary Target Closing Date solely by reason of a pending Injunction Preventing Closing, then, provided that CSU has diligently and in good faith taken reasonable steps to cause the dissolution or vacation of the Injunction Preventing Closing, the Closing is automatically extended to not later than the First Extended Closing Date. Prior to the First Extended Closing Date, CSU will work diligently and expeditiously, using reasonable efforts, to cause the Injunction Preventing Closing to be dissolved or vacated, including by causing the CSU Board of Trustees to consider approval of a CSU Formal Corrective Action. The City agrees to Cooperate diligently and expeditiously with CSU during this time, including by causing the City Council to consider approval of a City Formal Corrective Action if necessary to assist with CSU’s effort to remove the Injunction Preventing Closing. The City will also Cooperate diligently and expeditiously with CSU’s efforts to defend any New Lawsuit and any claim for an Injunction Preventing Closing and to cause prompt dissolution or vacation of any Injunction Preventing Closing.

(c) **Second Extended Closing Date.** If the Closing does not occur by the First Extended Closing Date solely by reason of the pending Injunction Preventing Closing described in paragraph (b) above, then, provided that CSU has diligently and in good faith taken reasonable steps to cause the dissolution or vacation of the Injunction Preventing Closing, the Closing is automatically extended to not later than the Second Extended Closing Date. Prior to the Second Extended Closing Date, CSU will work diligently and expeditiously, using reasonable efforts, to cause the Injunction Preventing Closing to be dissolved or vacated, including by causing the CSU Board of Trustees to consider approval of a CSU Formal Corrective Action. The City agrees to Cooperate diligently and expeditiously with CSU during this time, including by causing the City Council to consider approval of a City Formal Corrective Action if necessary to assist with CSU’s effort to remove the Injunction Preventing Closing. The City will also Cooperate with CSU’s efforts to defend any New Lawsuit and any claim for an Injunction Preventing Closing and to cause prompt dissolution or vacation of any Injunction Preventing Closing.

(d) **Third Extended Closing Date.** If the Closing does not occur by the Second Extended Closing Date solely by reason of (i) the pending Injunction Preventing Closing described in paragraph (b) above, (ii) an appeal involving the Injunction Preventing Closing described in paragraph (b) above has been filed with the appellate court, which appeal is pending, and (iii) an Injunction Preventing Closing has been issued by a court and remains in effect, then, provided that CSU has diligently and expeditiously and in good faith taken all reasonable steps to cause the dissolution or vacation of the Injunction Preventing Closing, the Closing is automatically extended to not later than the Third Extended Closing Date. Prior to the Third Extended Closing Date, CSU will work diligently and expeditiously, using reasonable efforts, to cause the Injunction Preventing Closing to be dissolved or vacated, including by causing the CSU Board of Trustees to consider approval of a CSU Formal Corrective Action. The City agrees to Cooperate diligently and expeditiously with CSU during this time, including by causing the City Council to consider approval of a City Formal Corrective Action if necessary to assist with CSU’s effort to remove the Injunction Preventing Closing. The City will also Cooperate diligently and expeditiously with CSU’s efforts to defend any New Lawsuit and any claim for an Injunction Preventing Closing and to cause prompt dissolution or vacation of any Injunction Preventing Closing.
(e) **Fourth Extended Closing Date.** If the Closing does not occur by the Third Extended Closing Date solely by reason of (i) the pending appeal involving the Injunction Preventing Closing described in paragraph (d) above and (ii) a hearing on such pending appeal has occurred prior to the Third Extended Closing Date but the appellate court’s determination has not yet been issued or a hearing on such appeal is scheduled by the appellate court prior to the Third Extended Closing Date, then the Closing is automatically extended to not later than the Fourth Extended Closing Date. Prior to the Fourth Extended Closing Date, CSU will work diligently and expeditiously, using reasonable efforts, to cause the appeal involving the Injunction Preventing Closing to be quickly dissolved and/or vacated, including by causing the CSU Board of Trustees to consider approval of a CSU Formal Corrective Action. The City agrees to Cooperate diligently and expeditiously with CSU during this time, including by causing the City Council to consider approval of a City Formal Corrective Action if necessary to assist with CSU’s effort to remove the Injunction Preventing Closing. The City will also Cooperate diligently and expeditiously with CSU’s efforts to defend any New Lawsuit and any claim for an Injunction Preventing Closing and to cause prompt dissolution or vacation of any Injunction Preventing Closing.

(f) **No Further Extensions.** The Parties agree that in no event will the Closing be extended past the Fourth Extended Closing Date as described in paragraph (e) above no matter the existence of any Injunction Preventing Closing, court issued stay or enjoinder of the Closing, or appeal thereof. If, for any reason other than an Injunction Preventing Closing, the Closing has not occurred on or before the Primary Target Closing Date, or on or before the First Extended Closing Date, the Second Extended Closing Date, the Third Extended Closing Date, or the Fourth Extended Closing Date, based on any extension of the Closing expressly provided pursuant to paragraphs (b), (c), (d), and (e) above, respectively, then either Party not then in Default under this Agreement may cancel the Escrow and terminate this Agreement, without liability to the other Party or any other Person for such cancellation and termination, by delivering written notice of termination to both the other Party and Escrow Agent. Following any such written notice of termination, the Parties and Escrow Agent will proceed pursuant to Section 9.11. Without limiting the right of either Party to cancel the Escrow and terminate this Agreement pursuant to this Section 9.7, if the Closing does not occur on or before the Primary Target Closing Date, if no Injunction Preventing Closing has been issued, and neither Party has exercised its contractual right to cancel the Escrow and terminate this Agreement under this Section 9.7, then the Closing shall occur as soon as reasonably possible following the first date on which Escrow Agent delivers a written “readiness” notice to both Parties that the Closing is ready to occur in accordance with the terms and conditions of this Agreement.

(g) **COVID-19 Delays.** Notwithstanding anything to the contrary in this Agreement, if there is a court closure due to the COVID-19 pandemic while an Injunction Preventing Closing is pending or in effect, then, so long as the Closing occurs within two (2) years of the original Primary Target Closing Date, the Primary Target Closing Date shall be tolled until the date that is five (5) Business Days after the court resumes operations in a manner that allows proceedings on the Injunction Preventing Closing to continue. In addition, if the Official Records of San Diego County, the Escrow Agent used by the Parties and required for the Closing of the Sale Transaction or the bank used by a Party or the Escrow Agent and needed for the transfer of funds in connection with the Sale Transaction, is not open for business due to the COVID-19 pandemic and affects the ability to proceed with the Closing, then, so long as the Closing occurs within two (2) years of the original Primary Target Closing Date, then the Closing Date shall be extended to the
date that is two (2) Business Days after such offices or bank reopen for business or otherwise are able to effectuate the Closing.

9.8 Closing Statements and Escrow Costs. The Parties will jointly notify Escrow Agent when they reasonably believe the Closing is ready to occur at an estimated future date. Escrow Agent will calculate the Final Adjusted Purchase Price, based on the estimated Closing Date provided by the Parties and utilizing the calculation method and illustrative examples contained in the definition of the Final Adjusted Purchase Price in this Agreement. Escrow Agent will deliver an escrow closing statement to each Party at least four (4) Business Days before the Closing Date, identifying Escrow Agent’s calculation of the Final Adjusted Purchase Price and specifying the costs to be borne by each Party upon the Closing. The City will pay all recording fees, all documentary transfer taxes, one-half of Escrow Agent’s charges for conducting the Escrow, and the premium charged by Title Company for the Title Policy, excluding the cost of any endorsements in the Title Policy that may be requested by CSU and the cost associated with any extended coverage in the Title Policy above and beyond the standard coverage in an American Land Title Association owner’s title policy. CSU will pay one-half of Escrow Agent’s charges for conducting the Escrow, the cost of any endorsements in the Title Policy that may be requested by CSU, and the cost associated with any extended coverage above and beyond the standard coverage in an American Land Title Association owner’s title policy. All other charges, fees and taxes levied by each and every governmental authority relative to the conveyance of the CSU Property through the Escrow will be paid by the applicable Party, as customary in San Diego County. Each Party will not unreasonably disapprove, or unreasonably delay its approval of, such Party’s escrow closing statement.

9.9 Prorated Items. When preparing the escrow closing statement for each Party, Escrow Agent will prorate the following items between the Parties as of the date and time described below: (i) all ad valorem taxes and special taxes or assessments levied or assessed against the CSU Property; (ii) all utility costs and other expenses of operating the Real Property, if any; and (iii) all collected and uncollected rent and other income pursuant to the Leases in effect on the Closing Date. If applicable, the taxes and assessments shall be prorated for the year of the Closing as of 11:59 p.m. on the day immediately preceding the Closing Date. If the Closing occurs before the tax rate or the assessed valuation is fixed for the then-current year, the prorating of ad valorem taxes shall be based upon the tax rate and the assessed valuation for the preceding tax year. The utility costs and other expenses of operating the Real Property shall be prorated for the month of the Closing as of 11:59 p.m. on the day immediately preceding the Closing Date, utilizing the most recently available meter reading or other reliable information that the Parties reasonably agree upon for purposes of apportioning such costs and expenses. The Parties agree to reasonably apportion applicable taxes and costs between them upon the Closing, consistent with the provisions of this Section 9.9. The Closing shall constitute the final reconciliation of all taxes and costs to be apportioned between the Parties with respect to the Real Property. The collected and uncollected rent and other income from Leases shall be prorated for the month of the Closing as of 11:59 p.m. on the day immediately preceding the Closing Date. CSU will receive a credit in an amount equal to any security deposits held by the City pursuant to the Leases, which credit will be reflected on the closing statements. To the extent rents and other income from the CSU Property are received by the City or by CSU after the Closing but are for any period of time before the Closing Date, such rents and other income belong to the City and will immediately be remitted to the City and CSU will have no right to such income. To the extent rents and other income from the CSU Property are received by the City or by CSU after the Closing but are for any period of time on or after the Closing Date, such rents and
other income belong to CSU and will immediately be remitted to CSU and the City will have no right to such income. Promptly after the Closing, the City will provide written notice to each tenant under each Lease that the Lease has been assigned to CSU and that all future rental payments under the Lease for the period from and after the Closing Date are owed to CSU. Except as expressly provided in this Section 9.9 with respect to income from the Leases, the Parties will not undertake or be liable for any post-Closing adjustment or reconciliation of any prorated items. The City will not be responsible for any increase in taxes or assessments resulting from improvements to the Real Property made on or after the Closing Date.

9.10 Escrow Cancellation Charges. If, due to the City’s Default under this Agreement, the Closing does not occur, the City will pay any ordinary and reasonable Escrow and title order cancellation charges charged by Escrow Agent and Title Company. If, due to CSU’s Default under this Agreement, the Closing does not occur, CSU will pay any ordinary and reasonable Escrow and title order cancellation charges charged by Escrow Agent and Title Company. If the Closing fails to occur for any reason other than either Party’s Default, each Party will pay one-half of any ordinary and reasonable Escrow and title order cancellation charges charged by Escrow Agent and Title Company.

9.11 Escrow Cancellation. If this Agreement is terminated pursuant to a contractual right granted to either Party in this Agreement to terminate this Agreement (other than due to the other Party’s Default), the Parties will do all of the following:

(a) Cancellation Instructions. The Parties will, within five (5) Business Days after Escrow Agent’s written request, sign any reasonable Escrow cancellation instructions requested by Escrow Agent.

(b) Return of Funds and Documents. Within ten (10) Business Days after a Party has delivered a written notice of termination to the other Party and Escrow Agent in accordance with this Agreement: (i) CSU or Escrow Agent will return to the City all documents previously delivered by the City to CSU or Escrow Agent, respectively, regarding the Escrow; (ii) the City or Escrow Agent will return to CSU all documents previously delivered by CSU to the City or Escrow Agent, respectively, regarding the Escrow; (iii) Escrow Agent will, unless otherwise provided in this Agreement, return to CSU all funds deposited into the Escrow by CSU, less CSU’s share of customary and reasonable Escrow and title order cancellation charges (if any) in accordance with Section 9.10; and (iv) Escrow Agent will, unless otherwise provided in this Agreement, return to the City all funds deposited in the Escrow by the City, less the City’s share of customary and reasonable Escrow and title order cancellation charges (if any) in accordance with Section 9.10.

9.12 Report to IRS. For the purpose of complying with Internal Revenue Code section 6045(e), Escrow Agent is designated as the “person responsible for closing the transaction” and also as the “reporting person” who must file any informational report with the Internal Revenue Service concerning the transaction contemplated by this Agreement, as required by applicable Law. After the Closing and before the last date on which any report is required to be filed with the Internal Revenue Service, if such report is required pursuant to Internal Revenue Code section 6045(e), Escrow Agent will report the gross proceeds of the purchase and sale of the CSU Property to the Internal Revenue Service on Form 1099-B, W-9, or such other form as may be specified by the Internal Revenue Service pursuant to Internal Revenue Code section 6045(e). Concurrently with the
filing of such report with the Internal Revenue Service, Escrow Agent will deliver a copy of the filed report to the Parties.

10. COVENANTS, REPRESENTATIONS, WARRANTIES, AND WAIVERS.

10.1 City’s Covenants. The City covenants and agrees with CSU as follows with respect to the time period between the Effective Date and the Closing Date:

(a) No Changes to Agreements. The City will not modify or amend any Leases, Service Contracts, or other agreement respecting the Real Property, or enter into any new lease or contract respecting the Real Property, without obtaining CSU’s prior written approval, which will not be unreasonably withheld or delayed.

(b) Normal Maintenance. Except as otherwise set forth in the CSU Existing Occupancy Agreement or the CSU New Lease, the City will maintain the CSU Property consistent with its present condition, except for ordinary wear and tear, and in accordance with the same standards that the City has customarily observed in its ownership and management of the Real Property.

(c) No New Title Exceptions. Except as otherwise contemplated in or permitted by this Agreement, the City will not cause, permit, allow, or suffer any change to the title condition of the Real Property other than the Permitted Title Exceptions.

10.2 City’s Representations and Warranties. All of the City’s representations and warranties set forth in this Section 10.2 shall be true upon the Effective Date (except with respect to Section 10.2(a) which shall be true upon the Closing only) and shall be deemed to be repeated at and as of the Closing and shall survive the Closing for a time period of one (1) year. The City represents and warrants to CSU that:

(a) Due Authorization. The signature and delivery of this Agreement by the City and the consummation of the transactions contemplated by this Agreement have been duly and validly authorized and approved by all necessary action of the City (provided that the City does not make, and expressly disclaims, any representation or warranty with respect to any third party’s potential initiation of a New Lawsuit).

(b) No Default. The signature and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement will not result in any breach of the terms or conditions of, or constitute a default under, any instrument or obligation by which the City is bound, or violate any order, writ, injunction, or decree of any court in any litigation to which the City is a party. Such representation and warrant shall not apply to any New Lawsuit.

(c) Notices and Documents. Based on the current, actual knowledge of Cybele Thompson (Director, Real Estate Assets Department), the person most knowledgeable about the CSU Property and the Existing Stadium operations as of the Effective Date, and thereafter, if Cybele Thompson is no longer employed by the City and available, then based on the current, actual knowledge of the designated City representative being most familiar with the CSU Property and the Existing Stadium operations as determined by the Mayor, without any independent duty of inquiry or investigation in either case, (i) the City has not received written notice of any pending violations of
law, any pending or threatened condemnation action, or any litigation that would prohibit the Parties from consummating the Closing as of the scheduled Closing Date and performing their respective obligations under this Agreement; and (ii) the City has delivered to CSU a true and correct copy of the Leases and the Service Contracts.

(d) **ADA Settlement Agreement.** Based on the current, actual knowledge of Cybele Thompson, in her capacity as the City’s Director of the Real Estate Assets Department, and thereafter, if Cybele Thompson is no longer employed by the City and available, then based on the current, actual knowledge of the designated City representative being most familiar with Existing Stadium operations as determined by the Mayor, without any independent duty of inquiry or investigation in either case, (i) the City has provided CSU with a true and complete copy of the ADA Settlement Agreement, which has not been amended, modified, or supplemented in any way; (ii) all improvements, including capital improvements, required to be performed pursuant to the ADA Settlement Agreement or any subsequent compliance inspections or other obligations required to have been performed under the ADA Settlement Agreement have been performed; (iii) there are no defaults under the ADA Settlement Agreement, and no event has occurred and no condition exists, which with the giving of notice or the passage of time, or both, will constitute a default under the ADA Settlement Agreement; (iv) there are no amounts owed to plaintiffs, their counsel, or anyone else pursuant to the ADA Settlement Agreement; and (v) the City has provided CSU with true and correct copies of reports or other documentation prepared in connection with any compliance inspections performed under the ADA Settlement Agreement, along with records of any actions taken and acceptance of the same by Plaintiff’s Representative within the last three (3) years.

If the City learns of any material inaccuracy in City’s representations or warranties after the date hereof and prior to the Closing, the City will promptly notify CSU of such inaccuracy; for purposes hereof, an inaccuracy will be deemed material if it has a material and adverse effect on ownership of the CSU Property, development of the Project, or any of CSU’s rights or obligations in any of the Attachments in accordance with the terms and conditions of this Agreement. The City will have the right (but not the obligation) to make commercially reasonable efforts to cure such inaccuracy prior to the Closing. If the City delivers written notice of its election not to cure the material inaccuracy, CSU’s sole and exclusive remedy in such event will be to elect, on or before the earlier of the Closing Date or five (5) Business Days after receiving such written notice from the City, to either (y) waive such material inaccuracy and any Claim against the City relating thereto and proceed to consummate the transaction contemplated by this Agreement without reduction in the Purchase Price or (z) terminate this Agreement and receive a refund of the Deposit. If CSU elects to close Escrow pursuant to clause (y) in the preceding sentence, the City will have no liability to CSU with respect to such inaccurate representation or warranty.

10.3 **CSU’s Representations and Warranties.** All of CSU’s representations and warranties set forth in this Section 10.3 shall be true upon the Effective Date (except with respect to Section 10.2(a) which shall be true upon the Closing only) and shall be deemed to be repeated at and as of the Closing and shall survive the Closing for a time period of one (1) year. CSU represents and warrants to the City that:

(a) **Due Authorization.** The signature and delivery of this Agreement by CSU and the consummation of the transactions contemplated by this Agreement have been duly and validly authorized and approved by all necessary action of CSU.
(b) **No Default.** The signature and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement will not result in any breach of the terms or conditions of, or constitute a default under, any instrument or obligation by which CSU is bound, or violate any order, writ, injunction, or decree of any court in any litigation to which CSU is a party. Such representation and warrant shall not apply to any New Lawsuit.

(c) **CSU’s Sophistication.** CSU is a sophisticated purchaser and is familiar with acquiring, owning, developing, and operating real property similar to the CSU Property. CSU has relied solely upon its own inspection, investigation, and analysis of all relevant matters in deciding to confirm its approval of the condition of the CSU Property pursuant to this Agreement and to enter into and execute this Agreement.

(d) **No Assignment.** CSU has not made, whether voluntarily, involuntarily, or by operation of Law, an assignment of, or a commitment to assign, any of CSU’s rights or obligations under this Agreement, except to the extent that the City has given prior written consent to the assignment in accordance with Section 16.2.

10.4 **CSU’s Acknowledgments and Waivers.** CSU provides the following acknowledgments and waivers for the City’s express benefit, all of which shall survive the Closing:

(a) **CSU’s Investigation.** As authorized by the CSU Entry Permit, CSU made an independent investigation and analysis, to the extent CSU deemed necessary or appropriate, concerning the physical condition, development potential, use, sale, and occupancy of the CSU Property and the value of the CSU Property. Such investigation and analysis included: the present and future economic value of the CSU Property and the feasibility of developing or marketing the CSU Property for CSU’s intended purposes; an environmental analysis as required by applicable Law; the soils condition of the CSU Property; the presence of Hazardous Substances on or affecting the CSU Property and the actual or potential need for remediation of such Hazardous Substances; the future availability and adequacy of water, sewer, and other utilities serving the CSU Property; applicable Law, limitations, restrictions, conditions, or requirements affecting the CSU Property; the existence and effect of covenants, conditions, restrictions, and requirements set forth in recorded documents affecting the CSU Property; and possible costs associated with CSU’s development, grading, and construction of improvements on the CSU Property. CSU acknowledges that its approval of the condition of the CSU Property pursuant to this Agreement evidences all of the following: (i) to the extent that CSU’s own expertise with respect to any matter regarding the CSU Property is insufficient to enable CSU to reach an informed conclusion regarding such matter, CSU has engaged the services of Persons qualified to advise CSU with respect to such matters; (ii) CSU has received assurances acceptable to CSU, by means independent of the City or the City’s representatives, of the truth of all facts material to CSU’s acquisition of the CSU Property; provided that nothing in this paragraph (a)(ii) releases the City from its representations, warranties, and obligations to perform covenants under this Agreement or in any other agreement entered into between the Parties at the Closing; and (iii) CSU is acquiring the CSU Property as a result of CSU’s own knowledge, inspection, and investigation of the CSU Property and not as a result of any statement or representation made by the City or the City’s representatives relating to the condition of the CSU Property, unless such statement or representation is expressly set forth in this Agreement or in any other agreement entered into between the Parties at the Closing.
(b) **CSU’s Acceptance of Property.** CSU acknowledges that the Closing shall evidence CSU’s unconditional and irrevocable acceptance of the CSU Property in the CSU Property’s “AS IS, WHERE IS” condition, subject to all faults and defects. CSU further acknowledges that the City has not made, and expressly disclaims, any express or implied warranties with respect to the CSU Property, including: (i) the structural, geotechnical, or physical condition of the CSU Property; (ii) the existence or absence of any Hazardous Substances on, under, or affecting the CSU Property; (iii) the content or accuracy of any report, sample, results, study, opinion, or conclusion of any soils, toxic, environmental, or other engineer, consultant, or other Person who has examined the CSU Property; (iv) the content or accuracy of any information disclosed to CSU by any of the City Indemnified Parties, or any engineer, consultant, planner, governmental employee, or other Person in connection with CSU reviewing the feasibility of development of, and otherwise investigating, the CSU Property; (v) the availability of building permits or other permits or approvals for the CSU Property by any state or local governmental bodies with jurisdiction over the CSU Property and by any adjacent landowners; (vi) the current compliance of the CSU Property with Law; (vii) without limiting the City’s obligations, if any, to provide any such services, the availability or capacity of sewer, water, or other utility connections to the CSU Property; and (viii) the suitability of the CSU Property for CSU’s intended uses. Nothing in this paragraph (b) releases the City from its representations, warranties, and obligations to perform covenants under this Agreement or in any other agreement entered into between the Parties at the Closing.

(c) **CSU’s Assumption of Obligations Relating to Hazardous Substances.** CSU AGREES THAT, WITHOUT LIMITING ANY OTHER PROVISIONS OF THIS AGREEMENT, THE CITY WILL HAVE NO OBLIGATION TO REMEDIATE OR REMOVE ANY HAZARDOUS SUBSTANCES DISCOVERED ON, UNDER, OR AFFECTING THE CSU PROPERTY. UPON THE CLOSING, CSU ASSUMES ALL OBLIGATIONS, LIABILITIES, AND RESPONSIBILITIES RELATING TO THE INVESTIGATION OR REMEDIATION OF HAZARDOUS SUBSTANCES ON, UNDER, OR AFFECTING THE CSU PROPERTY AND FURTHER ASSUMES ALL OBLIGATIONS, LIABILITIES, AND RESPONSIBILITIES WITH RESPECT TO ANY ENVIRONMENTAL CLAIM AFFECTING THE CSU PROPERTY OR THE PROJECT (EXCEPT TO THE EXTENT ENVIRONMENTAL CONDITIONS GIVING RISE TO AN ENVIRONMENTAL CLAIM AFFECTING THE CSU PROPERTY ARE DETERMINED TO HAVE BEEN CAUSED DIRECTLY BY THE CITY OR THE CITY INDEMNIFIED PARTIES AS A RESULT OF THE CITY’S MAINTENANCE, REPAIR, OR OPERATION OF ANY PUBLIC UTILITIES ON OR AFTER THE EFFECTIVE DATE OF THIS AGREEMENT, AND ALSO EXCEPT AS SET FORTH IN THE NEXT SENTENCE). THE CITY, NOT CSU, SHALL HAVE ALL OBLIGATIONS, LIABILITIES, AND RESPONSIBILITIES RELATING TO THE INVESTIGATION OR REMEDIATION OF HAZARDOUS SUBSTANCES ON, UNDER, OR AFFECTING THE RIVER PARK PROPERTY AND FURTHER REMAINS LIABLE FOR ALL OBLIGATIONS, LIABILITIES, AND RESPONSIBILITIES WITH RESPECT TO ANY ENVIRONMENTAL CLAIMS AFFECTING THE RIVER PARK PROPERTY, EXCEPT TO THE EXTENT ENVIRONMENTAL CONDITIONS GIVING RISE TO AN ENVIRONMENTAL CLAIM AFFECTING THE RIVER PARK PROPERTY ARE DETERMINED TO HAVE BEEN CAUSED DIRECTLY BY CSU OR ANY DEVELOPER ENTITY.
(d) **CSU’s Assumption of Risk and Waiver of Claims.** UPON THE CLOSING, CSU ASSUMES THE RISK THAT ADVERSE PROPERTY CONDITIONS, INCLUDING CONSTRUCTION DEFECTS AND ADVERSE PHYSICAL AND ENVIRONMENTAL CONDITIONS, MAY NOT HAVE BEEN REVEALED BY CSU’S INVESTIGATIONS OF THE CSU PROPERTY. UPON THE CLOSING, CSU RELEASES THE CITY INDEMNIFIED PARTIES FROM ANY AND ALL CLAIMS OF ANY AND EVERY KIND OR CHARACTER, KNOWN OR UNKNOWN, THAT CSU MIGHT HAVE ASSERTED OR ALLEGED AGAINST THE CITY INDEMNIFIED PARTIES AT ANY TIME BY REASON OF OR ARISING OUT OF ANY LATENT OR PATENT CONSTRUCTION DEFECTS OR PHYSICAL CONDITIONS, VIOLATIONS OF LAW, AND ANY AND ALL OTHER ACTS, OMISSIONS, EVENTS, CIRCUMSTANCES, OR MATTERS REGARDING THE CSU PROPERTY.

(e) **CSU’s Waiver of Section 1542.** REGARDING ALL RELEASES OF CLAIMS IN THIS AGREEMENT, CSU EXPRESSLY WAIVES ALL RIGHTS UNDER CALIFORNIA CIVIL CODE SECTION 1542, AS AMENDED OR MODIFIED, WHICH CURRENTLY PROVIDES:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

(f) **CSU’s Acknowledgment.** CSU ACKNOWLEDGES AND AGREES THAT CSU HAS CAREFULLY REVIEWED THIS SECTION 10.4, DISCUSSED ITS IMPORT WITH LEGAL COUNSEL, AND IS FULLY AWARE OF ITS CONSEQUENCES, AND FURTHER ACKNOWLEDGES AND AGREES THAT THE PROVISIONS OF THIS SECTION 10.4 ARE A MATERIAL PART OF THIS AGREEMENT. IN ANY EVENT, CSU’S RELEASE, WAIVER, OR DISCHARGE WILL NOT APPLY AND WILL BE OF NO FORCE OR EFFECT FOR ANY CLAIMS ARISING OUT OF (I) THE CITY’S FRAUD OR WILFUL MISCONDUCT, (II) THE CITY’S ACTIVE NEGLIGENCE, OR (III) ANY CLAIMS ARISING OUT OF OR RELATING TO PERSONAL INJURY OR DEATH THAT OCCURRED ON THE CSU PROPERTY PRIOR TO THE CLOSING EXCEPT DURING THE PERIOD OF CSU’S LEASE OF THE CSU PROPERTY PURSUANT TO THE CSU INTERIM LEASE OR THE CSU NEW LEASE, AS APPLICABLE. IN ADDITION, BY THIS SECTION 10.4, CSU IS NOT RELEASING ANY CLAIMS THAT IT MAY HAVE AGAINST ANY THIRD PARTIES, INCLUDING KINDER MORGAN. THE CITY AGREES TO COOPERATE WITH CSU, AT NO OUT OF POCKET COST AND WITH NO LIABILITY TO THE CITY, IF CSU DESIRES TO PURSUE ANY ENVIRONMENTAL CLAIM AGAINST KINDER MORGAN IN THE FUTURE, PROVIDED THAT THE CITY’S COOPERATION SHALL BE LIMITED TO SHARING WITH CSU STUDIES, ANALYSES, MEMOS, CORRESPONDENCE, AND OTHER INFORMATION THAT THE CITY POSSESSES WHICH ARE (i) RELATED TO THE SUBJECT MATTER OF SUCH CSU
CLAIM, (ii) NON-PRIVILEGED, AND (iii) PUBLIC RECORDS. THIS COVENANT TO COOPERATE SHALL SURVIVE THE CLOSING.

11. TREATMENT OF SELECT FUNDS.

11.1 City’s Encumbrance of Funds. As part of the City Approval Actions, the City will encumber, and set aside in a designated joint escrow account with Escrow Agent, a portion of the City General Fund’s share of the Final Adjusted Purchase Price proceeds in the amount of $1,500,000 ("Site Development Funds"). With the consent of the City, which consent will not be unreasonably withheld, conditioned or delayed, Site Development Funds will be released to CSU to fund the relocation of City utilities and other public facilities and completing other site work including excavation and grading, and other mutually beneficial site development activities that, in the City’s reasonable view, serve a valid public purpose and benefit the City’s interests (excluding any costs relating to the design, construction, or maintenance of the New Stadium or the River Park Property improvements, or the demolition of the Existing Stadium). Prevailing wages shall be paid for any work funded with Site Development Funds. Within fifteen (15) Business Days after the Closing, the Parties will enter into joint escrow instructions describing the terms upon which the Site Development Funds will be released to CSU, which will provide that CSU shall be entitled to request, from time to time, that the costs to be incurred pursuant to this Section 11.1 be paid using Site Development Funds, which requests the City must approve or deny within ten (10) Business Days after its receipt of a request. If the City approves or fails to timely respond to a request for a disbursement from the Site Development Fund, Escrow Agent will release such amount to the CSU immediately. If the City refuses the disbursement request, then the Parties shall meet and confer and use commercially reasonable efforts to resolve their dispute. This Section shall survive the Closing.

11.2 Potential Fenton Parkway Bridge. As an established City priority project, the City desires that Fenton Parkway be extended across the San Diego River (“Fenton Parkway Bridge”) as described in the City’s Mission Valley Community Plan Update. The Fenton Parkway Bridge has been contemplated in the City’s long-range planning documents for the Mission Valley community for more than 30 years as an independent local facility that separately serves the needs of the community and benefits the public. The City has collected development impact fees in Mission Valley Urban Community Fund No. 400247, of which $1,235,646 remain to fund environmental review, design, permitting and construction of the Fenton Parkway Bridge (“Fund No. 400247”). The Draft Mission Valley Impact Fee Study, Fiscal Year 2020 (November 2019), identifies the Fenton Parkway Bridge as a facility M-20, and in that manner, the City intends to continue collecting development impact fees for the Fenton Parkway Bridge. The Final EIR contains substantial evidence demonstrating the Fenton Parkway Bridge is not required mitigation to reduce the Project’s direct significant traffic impacts nor is it a functional element or component of the Project. Nevertheless, as a benefit to the community and not as a part of the Project or as mitigation for the Project, CSU is willing to support the potential development of the Fenton Parkway Bridge by helping the City fund the exploration, preliminary feasibility, due diligence, design, environmental review and permitting for the potential Fenton Parkway Bridge (“Feasibility Exploration”).
(a) **Feasibility Funding.** If the City deposits Two Million Dollars ($2,000,000) of the Purchase Price into Fund No. 400247 or another fund that can be used to pay for the Feasibility Exploration at Closing, CSU will provide up to an additional Two Million Dollars ($2,000,000) after the Closing to support the Feasibility Exploration. The amounts currently existing in Fund No. 400247 shall first be exhausted for Feasibility Exploration and thereafter, the City and CSU will each be responsible for fifty percent (50%) of additional Feasibility Exploration costs, with each Party bearing equal responsibility for expenses as they are incurred, provided that the City will not be required to incur more than the Two Million Dollars ($2,000,000) deposited pursuant to the first sentence of this subsection (a) for such additional Feasibility Exploration funding. Any funds remaining after the completion of the Feasibility Exploration will be utilized to construct the Fenton Parkway Bridge if it is approved, or to fund other transportation improvements in the Mission Valley Community Plan area if the Fenton Parkway Bridge is not approved.

(b) **Scope of Review.** The Feasibility Exploration will consider the feasibility of an all-weather bridge crossing the San Diego River, consisting of a two-lane road extending Fenton Parkway south over the San Diego River to Camino Del Rio North at grade with the trolley crossing, with left turn lanes from southbound Fenton Parkway to Camino del Rio North and Eastbound Camino Del Rio North to Fenton Parkway, and traffic signal modifications at the intersection of Camino Del Rio North and Fenton Parkway (collectively, the “**Potential Bridge Project**”). There is insufficient information about the potential Fenton Parkway Bridge to perform environmental review at this time. For example, details such as the precise location, configuration, design, construction, alternatives, design features, federal and state regulatory compliance requirements, and feasible mitigation for the potential Fenton Parkway Bridge are largely unknown at this time and meaningful environmental review cannot be performed in the absence of such information.

(c) **No Commitment.** The Parties are agreeing to explore the feasibility of the Potential Bridge Project, but neither Party is committing to construct any kind of Fenton Parkway Bridge at this time. Any obligation to construct the Fenton Parkway Bridge is irrevocably conditioned upon the completion of environmental review in compliance with CEQA and the National Environmental Policy Act (“**NEPA**”), if applicable. Nothing in this Agreement shall commit or be interpreted to commit either Party to a definite course of action with respect to the Fenton Parkway Bridge, preclude the consideration of feasible mitigation measures and alternatives, including the no project alternative, or restrict denial of the Fenton Parkway Bridge, prior to the certification, approval, or consideration of a CEQA compliance document for the Fenton Parkway Bridge. Compliance with CEQA and NEPA, if applicable, will be part of the Feasibility Exploration.

(d) **Construction.** If the Fenton Parkway Bridge is approved in compliance with CEQA and NEPA if applicable, then CSU will construct the Fenton Parkway Bridge pursuant to the terms of a separate agreement provided the City has placed an additional Six Million Five Hundred Thousand Dollars ($6,500,000) into Fund No. 400247 and makes such funding available to CSU. Within six (6) months after the certification of an environmental impact report or other CEQA compliance for the Fenton Parkway Bridge, if CEQA Approval is obtained at all, the Parties will engage in good faith negotiations to agree upon the terms for construction of the Fenton Parkway Bridge. Potential terms to be covered in such an agreement include responsibility for obtaining necessary Approvals from state and federal agencies to construct the Fenton Parkway Bridge, permitting authority, encroachment permits and construction licenses, the implementation of
mitigation measures, that CSU will complete construction of the Fenton Parkway Bridge prior to the occupancy of more than 65% of the Project, ownership and acceptance of the Fenton Parkway Bridge by the City and other funding mechanisms available to support the construction, among other things. Pursuant to Section 11.2(c) above, nothing in this Section should be interpreted as a commitment to construct the Fenton Parkway Bridge and any agreement to construct or negotiate an agreement to construct the Fenton Parkway Bridge is irrevocably conditioned upon and subject to the completion of environmental review under CEQA and other applicable Law. The City’s funding obligation for the Fenton Parkway Bridge is limited to (i) the amounts currently existing in Fund No. 400247, (ii) Two Million Dollars ($2,000,000) towards Feasibility Exploration pursuant to Section 11.2(a), and (iii) if, and only if, required approvals are obtained in accordance with CEQA and NEPA, Six Million Five Hundred Thousand Dollars ($6,500,000) for construction costs. Any future construction related agreement between the City and CSU may also provide for future reimbursement to CSU from development impact fees that the City collects for the Fenton Parkway Bridge.

11.3 Survival. The provisions of this Section 11 shall survive the Closing.

12. DEFAULT AND REMEDIES.

12.1 Occurrence of Default. A Party will be in “default” under this Agreement in any of the following circumstances (each a “Default”):

(a) Monetary/Escrow Default. A Party fails to timely pay or deposit any amount of money, bond, surety, or evidence of any insurance coverage required under this Agreement, or a Party fails to timely submit any funds or documents to Escrow Agent as reasonably necessary to close the Escrow in accordance with this Agreement, and this circumstance continues for five (5) Business Days after the Party in breach of its contractual obligation receives written notice from the other Party identifying the nature of the breach.

(b) Non-Monetary Default. A Party fails to perform any of such Party’s non-monetary obligations under this Agreement or to comply with any material restriction or prohibition in this Agreement, and this circumstance continues for ten (10) Business Days after the Party in breach of its contractual obligation receives written notice from the other Party identifying the nature of the breach; provided, however, that the Party in breach will be entitled to a time extension of up to twenty (20) additional Business Days to cure the breach if: (i) the Party in breach delivers written notice to the other Party within the initial 10-Business Day cure period confirming (with supporting evidence) that the Party in breach cannot reasonably cure the breach within the initial cure period and stating that the Party in breach intends to cure the breach as expeditiously as possible; and (ii) the Party in breach diligently prosecutes the cure of the breach to completion within the 20-Business Day extension period.

(c) Prohibited Transfer. Any of the following types of transfers occurs prior to the Closing: (i) CSU assigns or transfers its interest in this Agreement, in whole or in part, without the City’s prior written consent; or (ii) an assignment or transfer of CSU’s interest in this Agreement, in whole or in part, occurs involuntarily or by operation of Law.
12.2 City’s Pre-Closing Default. If the City is in Default of its obligations prior to the Closing, CSU’s sole remedy for such City Default will be to elect one of the following options: (i) waive the effect of the City’s Default; (ii) terminate this Agreement by delivering written notice of termination to the City and Escrow Agent, in which case the Parties and Escrow Agent will proceed in accordance with Section 9.11; or (iii) bring an action for specific performance of the City’s obligations under this Agreement within thirty (30) calendar days after the end of the cure period for the City’s uncured Default under this Agreement. CSU will not be entitled under any circumstances to recover from the City any speculative, consequential or punitive damages incurred or claimed to have been incurred as a result of the City’s Default under this Agreement.

12.3 CSU’s Pre-Closing Default.

(a) City’s Election. If CSU is in Default of its obligation to Close Escrow under this Agreement, the City’s sole and exclusive remedy will be to terminate this Agreement by delivering written notice of termination to CSU and Escrow Agent, in which case the City will receive or retain the Earnest Money Deposit as liquidated damages and as consideration for the City accepting this Agreement and affording CSU with all of its rights under this Agreement.

(b) Determination of Liquidated Damages for CSU Default With Respect to Closing of Escrow. THE PARTIES ACKNOWLEDGE THAT IT WOULD BE EXTREMELY IMPractical AND DIFFicult TO ASCERTAIN THE ACTUAL DAMAGES THAT WOULD BE SUFFERED BY THE CITY IF THE CLOSING DOES NOT OCCUR DUE TO CSU’S DEFAULT. THE PARTIES HAVE CONSIDERED CAREFULLY THE LOSS TO THE CITY OCCASIONED BY THE NEGOTIATION OF AND EXECUTION OF THIS AGREEMENT, THE CITY’S EXPENSES INCURRED IN CONNECTION WITH PREPARING THIS AGREEMENT AND COOPERATING WITH CSU’S DUE DILIGENCE INVESTIGATION OF THE PROPERTY, THE EXPENSES OF THE CITY’S PERFORMANCE UNDER THIS AGREEMENT, AND THE OTHER DAMAGES, GENERAL AND SPECIAL, WHICH THE PARTIES REALIZE THE CITY WILL SUSTAIN, BUT WHICH THE CITY CANNOT AT THIS TIME CALCULATE WITH REASONABLE CERTAINTY. BASED ON ALL THOSE CONSIDERATIONS, THE PARTIES AGREE THAT THE DAMAGE TO THE CITY IN THE EVENT OF CSU’S DEFAULT OF ITS FAILURE TO CLOSE ESCROW WOULD REASONABLY BE EXPECTED TO EQUAL THE AMOUNT OF THE EARNEST MONEY DEPOSIT. ACCORDINGLY, IF THE CLOSING DOES NOT OCCUR DUE TO CSU’S DEFAULT OF ITS OBLIGATION TO CLOSE ESCROW UNDER THIS AGREEMENT, THEN THE CITY’S SOLE AND EXCLUSIVE REMEDY TO THE CITY SHALL BE TO RECEIVE THE EARNEST MONEY DEPOSIT AS LIQUIDATED DAMAGES. CSU SEEKS TO LIMIT ITS LIABILITY UNDER THIS AGREEMENT TO THE AMOUNT OF THE EARNEST MONEY DEPOSIT IN THE EVENT THE CITY TERMINATES THIS AGREEMENT AS A RESULT OF CSU’S DEFAULT OF ITS OBLIGATION TO CLOSE ESCROW UNDER THIS AGREEMENT. THE PAYMENT OF SUCH LIQUIDATED DAMAGES IS NOT INTENDED AS A FORFEITURE OR PENALTY WITHIN THE MEANING OF ANY APPLICABLE LAW, BUT IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO THE CITY AS PERMITTED UNDER LAW. THE CITY SPECIFICALLY WAIVES AND RELINQUISHES ALL RIGHTS TO ASSERT A REMEDY OF SPECIFIC
12.4 Post-Closing Remedies of the Parties. After the Closing, the Parties will, subject to the terms and conditions of this Agreement (including limitations on or releases of liability and limitations on remedies or damages), have such rights and remedies as are available at law or in equity, including but not limited to specific performance, except as otherwise expressly provided in this Agreement, and except that: (i) neither Party will be entitled to recover from the other Party any speculative, consequential or punitive damages; and (ii) the City’s liability, if any, will be limited to damages or other financial amounts, in the aggregate, capped at a maximum of the amount of the Final Adjusted Purchase Price actually paid for the CSU Property.

12.5 General Indemnification. From and after the Closing, CSU agrees to defend, indemnify, and hold harmless the City Indemnified Parties from and against all Claims arising out of or directly or indirectly related to: (i) any Environmental Claim and any condition, circumstance, dangerous instrumentalities, and soils conditions, including soils subsidence or presence of Hazardous Substances, now or hereafter existing on, under, or affecting the CSU Property, except as expressly provided for in Section 10.4(c); (ii) the noncompliance with applicable Law of CSU’s use of the CSU Property; (iii) the death of any person or any accident, injury, loss, or damage whatsoever caused to any Person on the CSU Property or to the CSU Property itself occurring on or after the Closing and also occurring before the Closing during the period of CSU’s lease of the CSU Property pursuant to the CSU Interim Lease or CSU New Lease, as applicable, except to the extent such death, accident, injury, loss, or damage is directly caused by the established active negligence, sole negligence or willful misconduct of the City; (iv) any failure to comply with any applicable Law related to prevailing wage requirements by CSU or any CSU-retained contractor performing work on the CSU Property or the River Park Property or in connection with the Project; (v) contracts or agreements entered into by CSU with third parties in connection with this Agreement or CSU’s use of the CSU Property; (vi) the costs associated with CSU’s development, improvement, use, and operation of the CSU Property or construction of the Project; (vii) the performance of any manhole connection work as described in Section 6.4 and any resulting adverse impacts to the Wetland Mitigation Project or the Wetland Mitigation Project Site, as well as any related noncompliance with Law, including any required Approvals; (viii) any Claim for relocation with respect to the development of the CSU Property; (ix) any Claim arising from or relating to development of the Project, the Campus Master Plan, Measure G, and this Agreement, including, but not limited to, any Claim arising from or relating to CSU’s and its transferees’ obligations and activities under this Agreement, any Development Contract, or other arrangement; and (x) any Claim arising from CSU’s breach of its obligations under this Agreement related to the ADA Settlement Agreement, except to the extent that any Claim arises out of an established breach of the City’s representations, warranties, or covenants. Notwithstanding the foregoing, CSU’s indemnification obligations will not apply to any Claims to the extent arising out of the City’s established sole negligence or willful misconduct, or any Claims directly arising out of environmental conditions determined to have existed on the River Park Property.

12.6 Requirements Relating to CSU Indemnification Obligation. The City shall notify CSU in writing within five (5) Business Days of the receipt of any notice of any indemnified Claim;
provided that the failure to notify CSU in writing within such five (5) Business Day period shall not release CSU from the indemnification obligation set forth in this Section. Upon receipt of the City’s notification, CSU shall assume the defense of the Claims, including the employment of counsel reasonably satisfactory to the City and CSU. CSU shall notify the City of CSU’s desired legal counsel, in writing within five (5) Business Days after CSU’s receipt of the City’s written notice of a Claim. The City shall thereafter have five (5) Business Days within which to approve or disapprove CSU’s choice of counsel, and if the City fails to respond in writing within such time period, it shall be deemed to have approved CSU’s choice of counsel. The City’s approval of CSU’s choice of counsel shall not be unreasonably withheld, conditioned or delayed. CSU’s obligation to indemnify and defend the City Parties pursuant to this Agreement shall survive the expiration or termination of this Agreement, until any and all actual or prospective Claims regarding any matter subject to such obligation are fully, finally, and completely barred by applicable statutes of limitations.

12.7 **Survival.** The provisions of this Section 12 shall survive the termination of this Agreement or the Closing, as applicable.

13. **CASUALTY OR CONDEMNATION OF THE PROPERTY.**

13.1 **Notice.** If the City becomes aware before the Closing of any damage or destruction to the Real Property, or if the City receives notice before the Closing of the commencement or threatened commencement of eminent domain proceedings with respect to all or any portion of the Real Property, the City will promptly deliver to CSU written notice of the relevant circumstances.

13.2 **CSU’s Rights.** If between the Effective Date and the Closing Date, the Real Property is destroyed or damaged to the extent that CSU reasonably estimates the cost of restoration or repair to exceed five percent (5%) of the Base Purchase Price, or any eminent domain proceeding is commenced that will result in the taking of more than ten percent (10%) of the surface area of the Real Property, CSU will have the right, in its sole and absolute discretion, to either: (i) terminate this Agreement by delivering written notice of termination to the City and Escrow Agent, in which event the Parties and Escrow Agent will proceed in accordance with Section 9.11; or (ii) proceed with the Closing with no reduction in the Final Adjusted Purchase Price, in which event the City will assign to CSU all of the City’s right, title, and interest to any insurance proceeds for casualty and any monetary award in any eminent domain proceeding.

14. **UNAVOIDABLE DELAY.**

14.1 **Notice.** Performance by either Party under this Agreement will not be deemed or considered to be in Default, where any Default is due to the occurrence of an Unavoidable Delay. Within ten (10) Business Days after first learning of an Unavoidable Delay, any Party claiming an Unavoidable Delay will deliver written notice to the other Party describing in reasonable detail the nature of the Unavoidable Delay and the date of occurrence of the Unavoidable Delay. The extension of time to perform under this Agreement resulting from the occurrence of an Unavoidable Delay shall commence on the date of occurrence of the Unavoidable Delay. After a written notice of Unavoidable Delay has been delivered, the Parties will exercise commercially reasonable efforts and will cooperate with each other as may be required to cure the condition causing the Unavoidable Delay. Within five (5) Business Days after the Unavoidable Delay ceases to exist, the Party initially
claiming the Unavoidable Delay will provide written notice to the other Party regarding this circumstance.

14.2 **Assumption of Economic Risks.** EACH PARTY AGREES THAT ADVERSE CHANGES IN ECONOMIC CONDITIONS, OF EITHER PARTY SPECIFICALLY OR THE ECONOMY GENERALLY, OR CHANGES IN MARKET CONDITIONS OR DEMAND OR CHANGES IN THE ECONOMIC ASSUMPTIONS OF EITHER PARTY THAT MAY HAVE PROVIDED A BASIS FOR ENTERING INTO THIS AGREEMENT, SHALL NOT OPERATE TO EXCUSE OR DELAY THE PERFORMANCE OF EACH AND EVERY ONE OF EACH PARTY’S OBLIGATIONS AND COVENANTS ARISING UNDER THIS AGREEMENT. ANYTHING IN THIS AGREEMENT TO THE CONTRARY NOTWITHSTANDING, THE PARTIES ASSUME THE RISK OF UNFORESEEABLE CHANGES IN ECONOMIC CIRCUMSTANCES OR MARKET DEMAND OR CONDITIONS AND WAIVE, TO THE GREATEST EXTENT ALLOWED BY LAW, ANY DEFENSE, CLAIM, OR CAUSE OF ACTION BASED IN WHOLE OR IN PART ON ECONOMIC NECESSITY, IMPRACTICABILITY, CHANGED ECONOMIC CIRCUMSTANCES, FRUSTRATION OF PURPOSE, OR SIMILAR THEORIES. THE PARTIES AGREE THAT ADVERSE CHANGES IN ECONOMIC CONDITIONS, EITHER OF THE PARTY SPECIFICALLY OR THE ECONOMY GENERALLY, OR CHANGES IN MARKET CONDITIONS OR DEMANDS, SHALL NOT OPERATE TO EXCUSE OR DELAY THE STRICT OBSE rvANCE OF EACH AND EVERY ONE OF THE OBLIGATIONS, COVENANTS, CONDITIONS, AND REQUIREMENTS OF THIS AGREEMENT. THE PARTIES EXPRESSLY ASSUME THE RISK OF SUCH ADVERSE ECONOMIC OR MARKET CHANGES, WHETHER OR NOT FORESEEABLE AS OF THE EFFECTIVE DATE OF THIS AGREEMENT.

15.3 Changes. Each Party will promptly deliver written notice to the other Party and Escrow Agent regarding any change in such Party’s notice address.

16. GENERAL PROVISIONS.

16.1 Incorporation. The Recitals set forth above, as well as all attachments and exhibits to this Agreement, are incorporated into this Agreement in their entirety by this reference.

16.2 Pre-Closing Assignment. CSU acknowledges that: (i) the business experience, integrity, and financial ability of the purchaser and ultimate developer of the CSU Property are of material importance to the City; (ii) the City is relying on CSU’s business experience, integrity, and financial ability in entering into this Agreement, as well as the information contained in the CSU Financing Plan; and (iii) an assignment of this Agreement without the City’s prior written consent could result in a violation of San Diego Charter section 221. Accordingly, prior to the Closing, CSU will not assign this Agreement or any of its rights or obligations under this Agreement without the City’s prior written consent, which consent may be withheld in the City’s sole and absolute discretion. No assignment of CSU’s obligations under this Agreement prior to the Closing, whether permitted pursuant to this Section 16.2 or not, will relieve the assignor of any of its obligations under this Agreement, unless the City otherwise consents in writing. At least twenty (20) calendar days in advance of any proposed pre-Closing assignment, CSU will deliver to the City written notice of the proposed assignment, including the name and identity of each Person that will be directly or indirectly involved in the acquisition of the CSU Property and the precise nature of each such Person’s interest. CSU also will promptly provide to the City any additional information or
documents regarding the proposed assignment or the proposed assignee as the City may reasonably request in determining whether to consent to the proposed assignment. Notwithstanding the foregoing, CSU’s entry into any Development Contract for Bona Fide Public Purposes to facilitate completion of the Project will not require the City’s prior written consent. Any assignment made in contravention of this Section 16.2 will be voidable at the City’s election, in the City’s sole and absolute discretion. CSU agrees that the restrictions on assignments set forth in this Section 16.2 are reasonable. The Parties intend that no restrictions on assignment of CSU’s rights or obligations under this Agreement will apply after the Closing. This Agreement does not prohibit CSU from leasing, selling, or exchanging any portion of the CSU Property to an entity or affiliate as part of a CSU/SDSU-private partnership or arrangement, or to a CSU auxiliary organization after the Closing.

16.3 No Brokerage Commissions. The Parties represent and warrant to each other and agree that no real estate commission, finder’s fee, or broker’s fee has been or will be incurred in connection with the purchase and sale of the CSU Property pursuant to this Agreement. Each Party agrees to defend, indemnify, and hold harmless the other Party with respect to any Third Person’s claim that any real estate commission, finder’s fee, or broker’s fee is owed as a result of any act or failure to act of any of the indemnifying Party’s employees, agents, or representatives. The provisions of this Section 16.3 shall survive the termination of this Agreement or the Closing, as applicable.

16.4 Governing Law. The laws of the State of California shall govern interpretation and enforcement of this Agreement, without application of conflict-of-laws principles or statutes. This Agreement is entered into, is to be fully performed in, and relates to real property located in San Diego County, California. The proper venue for all legal actions arising from this Agreement shall be San Diego County, California, and the Parties waive any objection to this mutual choice of venue.

16.5 Entire Agreement. This Agreement integrates all of the terms and conditions with respect to the subject matter of this Agreement, and supersedes all negotiations or previous agreements between the Parties with respect to the Sale Transaction and all other transactions contemplated by this Agreement.

16.6 Amendments and Waivers. All amendments to this Agreement must be in writing and signed by the authorized representative(s) of both Parties. All waivers of the provisions of this Agreement must be in writing and signed by the authorized representative(s) of the Party making the waiver. Failure to insist on any one occasion upon strict compliance with any provision of this Agreement shall not be deemed a waiver of such provision, nor shall any waiver or relinquishment of any rights or powers under this Agreement, at any one time or more times, be deemed a waiver or relinquishment of such right or power at any other time or times.

16.7 Further Assurances. The Parties agree to take such further actions and sign and deliver such additional documents and instruments as may be reasonably required in order to more effectively carry out the terms of this Agreement and the intentions of the Parties, and to memorialize the Sale Transaction and all other transactions contemplated by this Agreement.

16.8 Time of the Essence. As to the performance of each and every obligation under this Agreement of which time is a component, the performance of such obligation within the time specified is of the essence. Each Party acknowledges that a timely Closing on or before the Primary
Target Closing Date or the Outside Closing Date, as applicable, is a material term of this Agreement, and neither the Primary Target Closing Date nor the Outside Closing Date may be extended, except through a written amendment to this Agreement signed by both Parties.

16.9 No Personal Liability of Officials and Employees. No official or employee of the City will be personally liable to CSU, or any successor in interest to CSU, in the event of the City’s Default under this Agreement or for any amount that may become due to CSU or to CSU’s successor, or on any obligations under the terms of this Agreement, except to the extent resulting from the fraud or willful misconduct of such official or employee. Likewise, no official or employee of CSU will be personally liable to the City, or any successor in interest to the City, in the event of CSU’s Default under this Agreement or for any amount that may become due to the City or to the City’s successor, or on any obligations under the terms of this Agreement, except to the extent resulting from the fraud or willful misconduct of such official or employee.

16.10 Recovery of Legal Costs. If either Party commences any action or proceeding seeking to interpret, enforce, reform, or rescind this Agreement or any provision of this Agreement, the prevailing Party (as determined by the court or arbiter in a final decision) will be entitled to receive payment of its Legal Costs from the other Party. This Section 16.10 shall survive the Closing or the termination of this Agreement, as applicable.

16.11 Relationship of Parties. The Parties are independent contracting entities and do not intend by this Agreement to create any partnership, joint venture, or similar business arrangement, relationship, or association between them.

16.12 Mutual Negotiation. No inference in favor of or against any Party shall be drawn from the fact that such Party has drafted any part of this Agreement. The Parties have both participated substantially in the negotiation, drafting, and revision of this Agreement, with advice from legal and other counsel and advisers of their own selection.

16.13 Calculation of Time Periods. All periods of time referred to in this Agreement shall include all Business Days and non-Business Days, unless the period of time specifies Business Days; provided, however, that if the date or last date to perform any act or give any notice or approval shall fall on a non-Business Day, such act or notice may be timely performed or given on the next Business Day.

16.14 Principles of Construction. Unless otherwise specified, all references in this Agreement to sections, subsections, paragraphs, or provisions are to those in this Agreement. Any reference to a section in this Agreement includes all subsections and paragraphs in such section. A word, term, or phrase defined in the singular in this Agreement may be used in the plural, and vice versa, all in accordance with ordinary principles of English grammar, which shall govern all language in this Agreement. The words “include” and “including” in this Agreement shall be construed to be followed by the words: “without limitation.” Except where the context clearly requires otherwise, (i) each collective noun in this Agreement shall be interpreted as if followed by the words “(or any part of it)”; and (ii) the word “or” in this Agreement shall include the word “and.” The words “shall” and “will” have the same meaning as the word “must” and denote a mandatory action. The word “may” denotes a permissive action. Every reference to a document, including this Agreement, refers to such document, as modified from time to time (excepting any modification that
violates this Agreement), and includes all exhibits, schedules, addenda, and riders to such document. Every reference to Law refers to each legal requirement as amended, modified, renumbered, superseded, or succeeded, from time to time.

16.15 **Tax Consequences.** Each Party will bear all responsibility, liability, and costs relating to any tax consequences experienced by such Party as a result of this Agreement and the transactions contemplated by this Agreement.

16.16 **No Third-Party Beneficiaries.** Nothing in this Agreement is intended to confer any rights or remedies on any Person other than the Parties and their respective permitted successors and assigns, nor is anything in this Agreement intended to relieve or discharge any obligation of any Person other than the Parties or give any Person other than the Parties any right of subrogation or action over or against any Party.

16.17 **Severability.** If a court of competent jurisdiction declares any portion of this Agreement to be invalid, illegal or unenforceable, such portion shall be deemed severed from this Agreement, and the remaining parts of this Agreement shall remain in full force and effect, as fully as though such invalid, illegal, or unenforceable portion had never been included in this Agreement.

16.18 **Effect.** This Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, legal representatives, successors, and assigns.

16.19 **Counterparts.** This Agreement may be signed in multiple counterpart originals, each of which is deemed to be an original and all of which shall constitute one agreement.

16.20 **Approvals.** Except as otherwise expressly provided in this Agreement or as otherwise required by the San Diego Charter or the Municipal Code, the Mayor will grant or deny, in writing, any approvals or consents required to administer the City’s obligations under this Agreement; provided, however, that the Mayor may, in his or her sole discretion, refer to the City Council any item requiring the City’s consent or approval.
